Experience

Founder

Yonder

Dec 2018 – Present · 1 yr 6 mos

Hamilton, MT

Get immersed in the natural world with Yonder.

Yonder helps you discover and book unique overnight stays and activities at farms, ranches, vineyards, and other nature immersive escapes. Each of our carefully chosen locations invites you to connect with nature and the people who steward it.

Yonder was born from a true passion for the natural world and everything it offers. We're driven by a purpose to nurture the kinship between people, plants, animals, and all living th [...see mor](#)

Owner

ABC acres

Sep 2012 – Present · 7 yrs 9 mos

Hamilton, MT

ABC acres is a permaculture farm in the Bitterroot Valley of Western Montana. Sustainable food production, healthy living systems, and ecological design is what we are all about. Our cattle, chickens and pigs are out on open pasture, eating, resting and living the way nature intended.

Volunteer Experience

Heartland Harvest Garden Apprentice

Powell Gardens

Jan 2012 – May 2012 • 5 mos

Environment

Spending my days within the 12 acre Heartland Harvest Garden tending to seasonal responsibilities associated with vegetable and herb gardens, as well as vineyards and fruit orchards. Focusing my efforts on building a foundation for both edible and native landscapes keying on sustainable land practices, while looking to educate / inform land owners, land managers, and consumers alike about the benefits of sustainable gardening and land development practices.

Garden Assistant

Cultivate KC

Jan 2012 – May 2012 • 5 mos

Environment

Working with the farm manager to ready winter edibles for eventual planting in late winter. Day consisted of building soil trays, seeding soil trays for new edibles, tending weeds in the tunnels harvesting late winter spinach and other edibles, double digging new planting rows, transplanting new seedlings to high tunnels, and other tasks as directed.

Land Management Practitioner

Prairie Love Song Farm c/o KAW Permaculture Institute

Nov 2011 • 1 mo

Environment

Worked with land owner on brainstorming session to implement Permaculture Designs for use over life of the property. Focused in sustainable land practices, self-sufficient life practices, and educational workshop concepts for teaching all those interested in the same. Walked installed Permaculture Swales, planted Pecan trees into the Food Forest, planted Evergreens for north wind screen and microclimate development.
