we chose fiesta rentals because they supported our local community we were committing a PTA event and they made some great donations two years in a row they were able to give us a tent for one of our biggest events about biggest fundraisers and they donate their services so we decided to use them for our own party that we had at the house they came they were very professional set up the tent just when they said they would it looks beautiful and I would recommend it to anyone that has any kind of party need whatsoever
