## Experience

**CEO**  
 Cloud Financial Corporation - Full-time  
 Sep 2018 – Present · 2 yrs 6 mos  
 Wilmington, Delaware, United States

Cloud Financial Corporation (CFC) enables entrepreneurs to create, plan, build and execute their vision in alignment with our five-win approach: A win for the entrepreneur, their customers, their investors, for CFC and most importantly, its a win for people who will never interact directly with the business - that is the world is a better place simply through the existence of the business.

Together. We create the future.

**Founding Board Member**  
 Launch Global - Part-time  
 May 2020 – Present · 10 mos  
 New York, United States

Launch is a subscription live streaming service featuring curated, cutting edge performances from artists around the world using the latest technology.

Launch is The Future of Music.

**Chief Technology Officer**  
 Skryty  
 Jan 2016 – Aug 2018 · 2 yrs 8 mos  
 Las Vegas, Nevada Area

Skryty has developed a high frequency and algorithmic trading as a service solution to empower small institutions, high net worth clients and active traders to act as their own quant for less than the monthly cost of the market data feeds.

**Lead Architect - Data Encryption Program**  
 Deutsche Bank  
 May 2015 – Mar 2017 · 1 yr 11 mos  
 Greater New York City Area

**IAM Project Manager**  
 Verizon Wireless  
 Jan 2014 – Dec 2014 · 12 mos  
 New Jersey

Verizon Wireless Network manages the core infrastructure of the commercial VZW network (backbone, towers, switches, data centers, etc.). Network launched a major security policy enforcement program in 2013 with an aggressive 1-year implementation deadline and needed to quickly expand their newly deployed IAM infrastructure to support the policy initiative. ## Education

**Pittsburg State University**  
 BS, Chemistry  
 1993 – 1998  
 Activities and Societies: American Chemical Society, Phi Beta Kappa

## Recommendations

Received (2) Given (5)

**John Gilmore**  
 at Wipro, Inc.  
 June 9, 2009, Wesley worked with John in the same group

Wesley acts as a strong advocate for the customer's needs. He focuses on understanding the business and developing a strategy to advance the business goals through attainable information technology projects. I have worked with Wesley on many projects and would welcome the opportunity to work with him again.

**John Gilmore**  
at Wipro, Inc.

June 9, 2009. Wesley worked with John in the same group.

Wesley acts as a strong advocate for the customer's needs. He focuses on understanding the business and developing a strategy to advance the business goals through attainable information technology projects. I have worked with Wesley on many projects and would welcome the opportunity to work with him again.

**Andrew Berman**

Regional Vice President,  
Major Accounts, North  
America- Oracle Marketing  
Cloud at Oracle

February 23, 2009. Andrew worked with Wesley but at different companies.

Wes is a very talented architect and engineer-- well versed not only in multiple areas of enterprise technology, but also in the complex business processes that surround them. I have partnered with Wes on multiple successful opportunities, and would give him my highest endorsement.
