

25 BOUGH
OLNEYVILLE

Powering Youth, Women & The Community!

BACKGROUND

The 25 Bough Street development will **transform and re-develop** a currently blighted property - in what was once a thriving jewelry manufacturing hub in the historic Olneyville section of Providence, Rhode Island - into a multi-purpose, community-anchored facility.

The building spanning a sprawling, 15,194 square feet will support **six integrated uses** which will increase youth success, women empowerment and accessibility to high-quality event spaces for diverse populations.

The following is a conceptual vision from I. Lanre Ajakaiye, a native born and raised in Providence, Rhode Island.

Area Demographics

Female

Male

Small Businesses

Population

Sports

Rhode Island is home to nationally-ranked college teams and D1 Programs including: Providence College, University of Rhode Island and Bryant University!

Olneyville Demographics:

VISION To brighten & transform the lives of youth, women & the community with future focus while becoming the most loved place to celebrate life events of today!

Problem:

In a city and state which is brimming with culture, **Providence, Rhode Island is substantially lacking diverse event spaces.**

In Olneyville, most event facilities, and banquet halls have **inflexible catering and little cultural fluency.**

With large—and growing—ethnic populations throughout the northeast, there is **significant demand** for a facility that can host these groups in ways that **understand their culture and needs.**

Moreover, cultural and needs across the city are affecting youth, women and the overall community. The 25 Bough Street Development would help to address each of these in a unique and innovative way right in the heart of Providence, Rhode Island!

Multi-Purpose Function Hall

To usher the celebration of many events (**Quinceañeras, Weddings, Corporate**) in a multi-purpose function hall catering to rich traditions and culture.

Current Offerings:

- *Portuguese Social Club , Cranston, Rhode Island
- *The Imperial Room, Cranston, Rhode Island

These options are not in the the city or booked for months in advance. The market has room and needs more culturally, diverse spaces.

Youth Empowerment & Education

Our **'Futures Hub'** will create brighter futures by equipping kids with skills they need to thrive. Skills will focus across Financial Literacy, S.T.E.A.M, Career & Self awareness in interactive, state of the art setting.

Youth Empowerment & Education:

Within the **Futures Hub** will be the:

XR LAB

The XR Lab will provide unique educational and training experiences combining virtual reality, augmented reality and mixed reality in the heart of the city!

The merging of the three is XR or Extended Reality.

Winner's Circle, a local company, already provides classes and training and will be housed in 25 Bough Street offering classes and content within 25 Bough Street

Women Empowerment:

R.I.S.E. (Realizing Inspiration & Sustaining Excellence) Women's Leadership Conference - the largest Women's event in the capitol city and the state's most diverse - will have its offices at 25 Bough and also hold programmatic events for young women in the space at 25 Bough Street throughout the year.

It will continue to hold its annual event with 750+ women and growing at The Rhode Island Convention Center.

WOMEN'S LEADERSHIP CONFERENCE

RISEWLC.COM

Co-Working Space

To provide collaboration and office space for the community, freelancers & entrepreneurs which has the visual look and feel of the diverse community and its heroes which surround it.

Offerings

Other Co-working spaces are not located in the Olneyville section of the city.

The Co-working space at 25 Bough will look like the city it is within and appeal to the growing and future entrepreneur base in the city of Providence and state of Rhode Island.

CO-WORKING SPACE
FOR
DIVERSE
COMMUNITIES BY
MEMBERSHIP

Give entrepreneurs of color a safe space to find themselves in the work of innovation and entrepreneurship and surround them with the tools and environment to accelerate their success.

Athletics Skills Area

25 Bough will exercise the mind and body while empowering student athletes.

The Athletics Skills facility will offer multi-sport skills training to advance speed, agility, quickness and hand / eye coordination for athletes of all ages to build core strength, vertical, speed and overall athleticism.

It caters to a growing youth sports market and integrates 25 Bough as a destination for the entire family!

**CULTURE &
HERITAGE
EXPERIENCE**

TO BE NAMED LATER

25 Bough will have an interactive, immersive space dedicated to culture, heritage and history of Black, African, Indigenous Peoples, LatinX, Cape Verdean and more going over the evolution, intersection and integration from the past until present day.

The experience will draw people to the city and state as its own destination with the ability to captivate a wide range of audiences –especially the young. We envision it as a destination!

Best of all, the experiences will be able to be programmed and changed throughout the year.

**CULTURE &
HERITAGE
EXPERIENCE**

TO BE NAMED LATER
