# Clay Gordon

Partner at Stout Street Capital  
Denver Metropolitan Area

## Summary

In 2017, I co-founded Stout Street Capital. Since then, I've built and cultivated new regions for early-stage tech investments, including my former home in the Carolinas, and championed deals such as Good United with my background in non-profit fundraising.

I'm currently focusing on opportunities in the HR, cleantech, edtech, insurtech, and fintech sectors. If you'd like to know more about early-stage funding, or if you're interested in working with us, feel free to connect.
