Independent Accountant's Review Report

Harmony Turbines Inc

As of August 12, 2020

To Management

Harmony Turbines Inc

Palmyra, Pennsylvania

I have reviewed the accompanying balance sheet of Harmony Turbines Inc as of August 12, 2020. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statement as a whole. Accordingly, I do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statement.

My responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statement. I believe that the results of my procedures provide a reasonable basis for my report.

Based on my review, I am not aware of any material modifications that should be made to the accompanying balance sheet in order for it to be in conformity with the accounting principles general accepted in the United States of America.
