US Army
E4: Medical Laboratory Specialist (92B10)
January 1991 - August 1997 (6 years 8 months)
Lancaster, Pennsylvania, United States

Loved every minute of this job / career. Much more than I thought I would in fact. Never went over seas because our unit was not activated and deployed but if I had not already had a college scholarship in place with PSU, I would have signed on to stay in full-time for quite a few years rather than just staying in the reserves.

Education

Penn State University
Bachelor of Arts (BA), Psychology · (1991 - 1995)

Donegal High School
· (1986 - 1990)
