- You will not advertise the allocated cases or bottles of the Collection online, in print, on social media, or with a third-party dealer or listing service without our prior written agreement. If the Asset(s) is already listed or advertised for sale Advisor will remove such listing or advertisement in its entirety, including any residual mention of item being "for sale".
- Upon the completion of the offering, you will continue to store, maintain, and insure the assets, in exchange for the payment of storage fees

The Results:

- Upon the successful completion of the relevant offering through the Vint platform, you will receive payment of the Consideration for the associated Asset, as outlined below, and we will assume title in, and take possession of, the Asset(s), unless otherwise mutually agreed by you and us.

Other:

- This Option Agreement may be modified or amended only with the prior written consent of both Purchaser and Seller.
- Bordeaux Index Ltd operates in the UK and uses the Great British Pound. In a scenario where the GBP/USD conversion rate changes materially during the option period, each party reserves the right to change the Total Acquisition Cost. Proper disclosure will be made if there is a change to the Total Acquisition Cost. A change of +500 basis points or -500 basis points constitutes a material conversion rate change.
