## Volunteer experience

### Board Member

Boxer Luv Rescue

May 2000 – Dec 2018 · 18 yrs 8 mos

Animal Welfare

As a Board Member of Boxer Luv Rescue, I partner with our volunteers to manage our growing non-profit organization dedicated to saving and re-homing Boxer dogs. When we began on this journey, we had less than 30 volunteers spread throughout Central and Northern Arizona. Boxer Luv has grown exponentially over the last 16 years making it one of the largest dog rescues in Arizona saving hundreds of dogs each year with over 800 volunteers. Our reputation in the rescue community is recognized by local, state, and national officials as we work to educate the public about the impact animal welfare has on the community. In 2014, we opened our thrift store, Luv To Save Thrift Shop, in Phoenix. This all-volunteer retail shop is just one additional revenue stream that enables us to continue saving Boxers every day.
