## Experience

### Founder

One Biosciences · Full-time  
Mar 2019 – Present · 1 yr 9 mos  
Dallas, Texas

Inspired by a blend of classic eastern philosophies and western wisdom, it's our mission to light the way forward through new pathways in wellness with a premium selection of natural plant-based CBD solutions. Made from the finest ingredients on the planet and created with love.

### Advisor

SAANS Health · Part-time  
Nov 2018 – Present · 2 yrs 1 mo  
Dallas/Fort Worth Area

The vast amount of information in medicine is ever-expanding and complex, which the human mind and traditional analytics cannot make sense of. At SAANS Health we use the power of Artificial Intelligence (AI) to make sense of complex and multi-dimensional information to drive increased value in healthcare. We help healthcare organizations leverage the power ...[see mor](#)

## Education

### Baylor University - Hankamer School of Business

Executive MBA (Healthcare Administration), Business Administration and Management, Healthcare

2013 – 2015

The Baylor Executive MBA Healthcare Program is designed for industry professionals. Offered through the distinctive Robbins Institute for Health Policy and Leadership, the EMBA Healthcare Program combines rigor and relevance, to equip leaders for the challenges ahead.

The EMBA curriculum, delivered in a lockstep, cohort format, focuses on building business acumen while also instilling specific healthcare expertise that is vital to development as an executive leader in healthcare.

---

### Naveen Jindal School of Management, UT Dallas

BS, Business Administration - Concentration: Marketing and Operations Management

2003 – 2007

The Bachelor of Science in Business Administration (BSBA) at Naveen Jindal School of Management was a 120 semester credit hour degree program that prepared me for a career in business. The degree program provided me with highly specific skills across functional areas of business and a wide range of student-centered engagement activities that encouraged me to apply my knowledge and practice my skills. Specific interests during my tenure at UT Dallas included Strategy, Organizational Behavior and Marketing.
