## The Story of PDX FC

PDX FC Starting 11 - 2019

PDX FC was founded with humble roots by Luke and Max Babson, brothers from Portland, OR. The club joined the NPSL, considered the 4th tier within the US Soccer pyramid, in the spring of 2017.

PDX FC was founded on the premise of providing elite playing opportunities for Portland's top aspiring players. The club is a celebration of the beautiful game and will add another chapter to our cities' rich history and reputation as Soccer City USA.

## The dream comes alive!

In our first year of existence PDX FC landed legendary Danish sportswear company, Hummel, as our official uniform and apparel supplier. In 2019, our black Hummel jerseys sold out, having orders from across the USA and Europe.

## Whats next?

In 2020 and beyond, PDX FC aims to grow our footprint. Becoming a true supporter owned club will create an atmosphere that is very unique to the US sporting landscape. Our aim is to not be a club ran by a small group of owners, but rather a club that is ran by and for the people!
