Getjobzz LLC

These notes form an integral part of the financial statement and should be read in conjunction with it.

Nature of activities and summary of accounting policies

Getjobzz LLC intends to use the money raised through Wefunder platform under revenue share, for developing Getjobzz platform. After paying a percentage to Wefunder platform, we will use the rest of the money towards marketing, developing original content, hiring new team members and app development.

Basis of accounting

The balance sheet have been developed in accordance with the accounting principles generally accepted in the United States.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Balance sheet classification

The balance sheet includes current assets and liabilities since the formation of Getjobzz LLC in August 2020.

Investing activities

Investing activities include developing original content, app development, hiring team members, and advertisement.

Financial activities

Financial activities include borrowing money from investors, obtaining equity from owners and providing owners and investors with return on their investments.

Stockholder's Equity

No stocks were issued and no dividends paid for the period under review.
