Anade directly

Anade is the best. He brought me from 0 to 60 in the Data
Science World. Thanks for helping me get my new career start.

Mr. Davis is the epitome of growth and community revolution in
progress. I had the honor of befriending and working with Mr.
Davis in college during my leadership over the Pacer Times
student newspaper. He has always been innovative and strived for
higher learning and progress. I have seen him grow wi... See more
