SPUR2020.ORG

Jan 2012 – Feb 2013 • 1 yr 2 mos

Economic Empowerment

SPUR2020.ORG is a group of people living in Spur, Texas that have decided not to be at the mercy of the external world's financial, energy, food and water situations. Situations that, continue to deteriate, and are skyrocketing in costs, value-decline, and are forcing a system of dependence that is not wanted, desired or accepted. We will start rebuilding this country locally, and do it here now!
