Alexander Colgan
Head of Marketing & Strategic Partnerships @ LedgerDomain. VP Marketing @ MetaVRse. Founder @ Farflung Studio. Consultant for emerging technology companies.
January 2, 2019, Alexander worked with Timothy but at different companies

Tim is an enormously creative developer with background and insights across a range of emerging technologies, and a profound understanding of how these technologies will change people's lives.

Jason Fox
Vice President of R&D/Spatial Computing at Worlds. Building reality-as-

I have worked with Tim on several occasions in my role at Microsoft and I have been impressed by his knowledge and expertise each and every time. I've seen him code, speak and solve challenging problems on the fly. I would be more than
