Experience

Co-Founder & Chief Technology Officer

ReelwUrld

Oct 2018 – Present · 3 yrs 3 mos

Los Angeles, California, United States

We haven't seen technology that allows fans to freely and legally tell audio-visual stories set in the universe of their favorite franchises. ReelwUrld is now building that software.

ReelwUrld™ is a social film studio that makes movies with the world. We've built patent-pending technology that acts as a film studio in your pocket. We wrap technology around any story in the form of an app to help you make cinematic movies, shows, commercials, and more on your phone.

Founder
