LEAD INVESTOR

Sean Hanson President, Oregon Smile Care Center

Ryan and his family are the greatest. Their passion for the town of Hallock and brewing beer cannot be matched. The beer is delicious and I see BIG things from these guys. I am excited to be the lead investor for the best brewery on Wefunder. The growth of this company in the last two years is phenomenal. Despite a global pandemic, they continued to grow. They were able to be flexible, changing from majority of draft sales, to packaged beer and still see huge profits. They are becoming a household name in ND, MN, WI, and even Canada! Come grow with us! We are so thrilled to have people join this campaign bringing amazing beer to the people of the northern USA and southern Canada.

Community Focused Brewery

Revelation Ale Works was founded on the idea (the "Revelation") that we wanted to do beer and business differently. We started in our small town of Hallock, Minnesota, pop. 981 in 2017 in order to help revitalize and improve our community. As of our 4th anniversary in February, we have helped raise over \$40,000 for local causes!

We also pride ourselves in being a local gathering place where everyone feels welcome. We offer a wide variety of ales and lagers as well as house made root beer and pizza. We are always open during the off-hours for groups needing a place to gather.

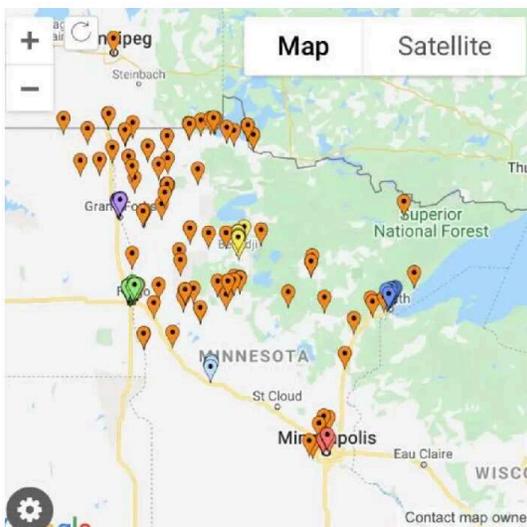

Find Us in Over 240 Locations!

From the beginning we have focused on distribution of our brews due to the small community in which we are located.

Check out our beer map:

We have grown from a 7 bbl system with 6 fermentation tanks to a 15 bbl brewhouse with 14 tanks and now distribute to over 240 locations in Minnesota, North Dakota, Wisconsin and Manitoba, Canada!

We're Profitable!

We became profitable in 2019 with over 50% growth that year. We maintained profitability through a difficult pandemic in 2020 and even managed a little growth! With the recent additions of accounts in NE Minnesota and Wisconsin as well as many other opportunities, the sky's the limit!

We Want YOU!

Revelation Ale Works has always been a community focused, high growth brewery and now we want you to own a piece of our dream!
