### Board Member /CoFounder

HearGlass Inc.

Feb 2014 – Present · 6 yrs 11 mos

NY NY

A very cool system for hearing improvement and as a platform for wearable technology. Makes music sound better than ever and makes conversation in a noisy restaurant possible and fun.

### CoFounder/Chairman

### **Founder Chairman**

Snap Institute

Jan 2016 – Present · 5 yrs  
Las Vegas, Nevada Area

We teach entrepreneurial skills to high school students, graduates and those wishing to start new careers. The units are either 3 -12 week quarters using trade shows as a deep dive into industries. We will also have two week summer camps and weekend flash courses.

### **Founder**

BrainRush Inc.

Aug 2010 – Present · 10 yrs 5 mos  
Los Angeles

A powerful game engine for learning. We are a free service (think Zynga) with authoring tools for curriculum created by the world (think Wikipedia). We think these two powerful business models can create a sizable education company in just a few years.

## Recommendations

**Received (13)**

Given (11)

**Edward Bevilacqua, JD**

Helping inmates & ex-felons break the chains of recidivism (for good!) a neuroscience-oriented approach to Success

April 14, 2016, Edward worked with Nolan but at different companies

Nolan changed personal entertainment; he changed family entertainment; and now he's about to change education --i going to be faster, better and way less expensive.

**Richard "Glen" Hamilton**

Technology Entrepreneur - Biomedical Engineer

March 14, 2016, Richard "Glen" reported directly to Nolan

One of my best and most fun experiences in life was working with Nolan long ago in a younger life. I had already co-founded and sold a medical company and thought I knew everything about innovation and growing a company until I met Nolan. Things I learned with him have lasted for decades and helped ... See
