RADICALLY DIFFERENT[®]

The whiskey industry is built on tradition - centuries-old practices passed down without question. While others stay bound by "that's how it's always been done," Cleveland Whiskey breaks the mold. We're revolutionizing an industry that hasn't changed in generations.

Called "heretics" by traditionalists who claimed it couldn't be done, we've proven them wrong. Our innovative approach and patented technology has earned over 175 medals worldwide and the title "Whiskey Distillery Innovator of the Year."

***We respect tradition, but we're not bound by it.
The proof? It's in every bottle.***

CLEVELAND'S VOICE

CLEVELAND ISN'T JUST A CITY OR A PLACE, IT'S AN ATTITUDE. IT'S HARD WORKING, ENTREPRENEURIAL AND AUTHENTIC. IT'S EDGY WITHOUT BEING PRETENTIOUS. IT'S BELIEVING IN HONEST AND HARD WORK, CREATIVE THINKING, AND INNOVATION. IT'S SIMPLY MAKING GREAT PRODUCTS, TREATING PEOPLE WITH RESPECT. AND KEEPING AN OPEN MIND.

THIS IS OUR HEART AND SOUL.

WE'RE UNCONVENTIONAL. WE EMBRACE TECHNOLOGY AND WE'RE PASSIONATE ABOUT MAKING SOME OF THE BEST, MOST INTERESTING AND UNIQUE SPIRITS IN THE WORLD.

We started in my basement in 2009, shipping our first bottles in 2013. After winning Bronze in a major competition, we pushed harder—inventing new systems and conducting thousands of blind taste tests. Now with 175+ medals, we ship to 20 states and internationally. We're tech-forward disruptors in an unchanged industry. Our 1,700 investors built this company, but there's more ahead. Join us and share in our future success.
