SUBJECT Your Wefunder Reservation

Arrived x Wefunder

THANK YOU FOR YOUR RESERVATION REQUEST

Hi there,

Thank you for your interest in investing in Arrived equity. I greatly appreciate the trust you are placing in our team.

Here are your next steps:

- We are currently only collecting interest for now. **Please DO NOT wire any funds to Wefunder. You will receive an email from Wefunder asking you to wire the funds, ignore that email.**
- Once we finalize the reservation stage in a few months, we'll be allocating investment amounts across all interested parties. You will then have the option to complete your investment.
- New to Arrived and want to learn more about our platform? [Register here for one of our live webinars](#) or you can [set up a time here for a 1x1 with our team](#).

This is a small community investment round that can only raise \$500,000, which means unfortunately we cannot guarantee that investors will be able to invest their entire desired amount. The final allocations may be a fraction of their desired investment amount.

Thank you again for your interest in partnering with us. Please reach out if you have any questions in the interim.

Happy investing,
Ryan Frazier

Important Information

* Past performance does not guarantee future returns. Hypothetical returns are not inclusive of potential property disposition costs. For more information, refer to the [Offering Circular](#).

Arrived Holdings, Inc. ("Arrived"), as the manager of Arrived Homes, LLC ("Arrived Homes") and Arrived STR, LLC ("Arrived STR") and together with Arrived Homes, the "Arrived Issuers", operates the [arrived.com](#) website (the "Site") and is not a broker-dealer or investment advisor. All securities related activity is conducted through Dalmore Group LLC, a registered broker-dealer and member of [FINRA](#) and [SIPC](#), located at 524 Green Place, Woodmere, NY 11598. You can review the [brokercheck](#) for Dalmore [here](#). An up-to-date Dalmore Form CRS is available [here](#).

You should speak with your financial advisor, accountant and/or attorney when evaluating any offering. Neither Arrived, the Arrived Issuers nor Dalmore make any recommendations or provides advice about investments, and no communication, through this website or in any other medium, should be construed as a recommendation for any security offered on or off this investment platform. The Site may make forward-looking statements. You should not rely on these statements but should carefully evaluate the offering materials in assessing any investment opportunity, including the complete set of risk factors that are provided as part of the offering circular for your consideration.

The Arrived Issuers are conducting public offerings pursuant to Regulation A, as amended, through the Site. The offering circulars and related filings for the Arrived Issuers can be found [here](#). Past performance is no guarantee of future results. Investments such as those on the Arrived platform are speculative and involve substantial risks to consider before investing, outlined in the respective offering materials and including, but not limited to, illiquidity, lack of diversification and complete loss of capital. Key risks include, but are not limited to, limited operating history, limited diversification, risk of asset damage or theft and lack of voting rights. Also, the adverse economic effects of the COVID-19 pandemic are unknown and could materially impact the investment. An investment in an offering constitutes only an investment in a particular series and not in Arrived Homes or the underlying assets. Investors should carefully review the risks located in the respective offering materials for a more comprehensive discussion of risk.

From time to time, the Arrived Issuers will seek to qualify additional series offerings of securities under regulation A. For offerings that have not yet been qualified, no money or other consideration is being solicited and, if sent in response, will not be accepted. No offer to buy securities of a particular offering can be accepted, and no part of the purchase price can be received, until an offering statement filed with the Securities and Exchange Commission (the "SEC") relating to that series has been qualified by the SEC. Any such offer may be withdrawn or revoked, without obligation or commitment of any kind, at any time before notice of acceptance given after the date of qualification by the SEC. An indication of interest involves no obligation or commitment of any kind.

Investment overviews contained herein contain summaries of the purpose and the principal business terms of the investment opportunities. Such summaries are intended for informational purposes only and do not purport to be complete, and each is qualified in its entirety by reference to the more-detailed discussions contained in the respective offering circular filed with the SEC.

The Arrived Issuers do not offer refunds after an investment has been made. Please review the relevant offering materials and subscription documentation for more information.

An active trading market for any series of Arrived Homes or Arrived STR interests may not develop or be sustained. If an active public trading market for Arrived Homes or Arrived STR series interests does not develop or is not sustained, it may be difficult or impossible for you to resell your interests at any price. Even if an active market does develop, the market price could decline below the amount you paid for your interests. There is no assurance that the Arrived platform will provide an active market for resales of Arrived Homes or Arrived STR series interests. Further, without the Arrived platform, it may be difficult or impossible for you to dispose of your interests. If the market develops for any series of Arrived Homes or Arrived STR interests, the market price of such interests could fluctuate significantly for many reasons, including reasons unrelated to performance, the underlying assets or any series, such as reports by industry analysts, investor perceptions or announcements by competitors regarding their own performance, as well as general economic and industry conditions.
