Alexander Michaels

Chief Executive Officer / Founder

Alexander is a sales and marketing professional, whose focus is a force multiplier in identifying revenue streams and reaching critical mass.

He has been the managing partner and founder of multiple successful companies in the U.S., Europe, Asia and the Middle East. From signature French restaurant chains and advertising ventures, to network marketing and social media solutions, Alexander is a serial entrepreneur and a 'game changer'.

His international business expertise, coupled with his extensive work experience in direct sales and brand management, has made him a sought-after consultant and a recognized international speaker, with over 5.000 hours of public speaking, to a combined audience of over 40.000 people.

A master planner and builder, a humanist and a self-made man. Alexander drives results in competitive landscapes.

Lucie Nightingale

Partner / Project Manager

Lucie is a world traveler. From a very early age, she developed a true passion for the art of planning and she rapidly gained unique insights into the travel world. By the age of 22 years old, she had already traveled to more than 40 countries and she had booked over a thousand stays, across numerous booking platforms, including Airbnb, consequently making her an adept in the user experience.

Once onboard with Navisyo, she made it her mission to analyse what makes each of the booking platforms effective and enjoyable.

Her role, as Project Manager, is to oversee all aspects of the functionalities and to continually improve the user experience, within the Navisyo marketplace.

Lucie was born in the Czech Republic and she speaks fluent English and French.

„The best way to predict your future is to create it.”

Patrick Moyal

Roberto Lauria

Vice President Travel Publicist

Roberto Lauria comes from a multicultural background and he has worked, for numerous large professional organizations, in the technology and tourism sector.

His current mission is propelled, by his passion for the travel industry. Being part of a ground breaking start-up, which strives to make a real difference, is another reason why Roberto decided to dedicate his talents to Navisyo's development.

„Hope is not a strategy.”

He is currently focusing on supporting an industry that is suffering, from the devastating impact of the Covid-19 crisis, by addressing and offering solutions to some of the biggest problems, the world has ever faced.

Roberto is fluent in German, English, Greek and Italian.

Seth Schlessel

Attorney

Seth is an experienced attorney who specializes in helping startup companies set sail.

Possessing extensive knowledge in the areas of contracts, negotiations, and advising corporations on legal issues, Seth is fervent about using his expertise to help businesses develop. He understands that central to building a successful company is the management team combined with a good idea, strong business acumen, patience, and tenacity.

Seth is excited to guide Navisyo to success and is confident that the company will deliver value to its stakeholders.

In his free time, Seth enjoys spending time with his family, (doing what his wife says), and watching a good football game.

„Imagine you can open your eyes to see only the good in every person, the positive in every circumstance, and the opportunity in every challenge.”

Gunars Grundstocks

Chief Technical Officer

With over a decade of experience in IT project management, Gunars has successfully managed multidisciplinary project teams through all phases of the web-mobile-project development life cycle.

His expertise lies in social media management, in search engine optimisation and in the website user experience. He believes that open and honest communications, within a team, is the key to a successful project.

Gunars is a lifelong learner who spends his free time reading, participating in lectures and workshops, and honing his craft.

„When you don't create things, you become defined by your tastes rather than your abilities. Your tastes only restrict and exclude people. So create.”

Martins Rudzitis

Vice President of Software Engineer

Upon graduating from his university, as a software developer, Martins went straight to work as a project manager. From the start, he has been involved in the day-to-day supervision of all aspects of the Navisyo project.

One of his objectives, as the chief communicator, between Navisyo and its dedicated team of developers, is to make sure that every task is carried out by the right person, at the right time, ensuring that the project and its development runs smoothly.

When he is not busy at work, you can find Martins either dancing or running.

***„Believe it can be done.
When you believe
something can be done,
your mind will find ways to
do it. Believing in a solution
paves the way to finding a
solution.”***

Valdis Pornieks

Senior Lead Developer

Valdis is a technical director and a leading expert in web and mobile development.

With over a decade of experience in advanced programming, XHTML, CSS, Javascript, and Ruby on Rails, he is currently pursuing a PhD in computer science, in addition to conducting a cutting-edge research on requirement analysis.

In his spare time, Valdis lectures on web development in universities, sings in a choir and enjoys jazz music.
