It is with immense pleasure that I am announcing as of yesterday, our Navisyo Wefunder Campaign has surpassed the \$415,000 line, totaling more than 570+ investors from 34 countries around the world!

Since we got approved to campaign on Wefunder last December 18, 2019 we have been able to complete our technology and we are ready to launch for Boat Owners this month! Exciting news we will be unveiling this week so stay posted...

It is thanks to the support of our fans worldwide, our investors outside and inside Wefunder, and the unwavering dedication from our NC21 Members that we are just a few weeks away from reaching our 3rd goal, \$600,000! Our next goal we hope to achieve in the next few months is \$1,070,000.

We have hired new team members and we are excited to test pilot of first territories this summer 2021!
