## Experience

### Founder

Center for Sustainable Healthy Equitable Communities, Inc. · Part-time

Jun 2019 – Present · 1 yr 7 mos

Miami/Fort Lauderdale Area and Detroit Metro Area

We seek fulfilling work at the intersection of Sustainability, Health, and Equity, especially any work that addresses the social determinants of health. Our approach is holistic and the data speaks to our successes. With a depth of field experience in affordable housing and community redevelopment, cultural and non-profit resource management, and Placemaking, we believe that focus on an inclusive process far improves the probability of a successful outcome.

"If you want to go fast go alone. If you want to go far, go together"

### Director of Development and Facilities

Housing Authority of the City of Fort Lauderdale

2008 – Present · 12 yrs

I manage the new development of affordable housing through a variety of public-private partnerships. We primarily build using low-income housing tax credit funding. Over the past eleven years I have overseen the development of over 1200 units of modern affordable housing - all within about a one-mile radius. Our Northwest Gardens Development is one of the first LEED-N ...see more

### Chairman of the Board

Bonnet House Museum and Gardens

2005 – 2008 · 3 yrs

Fort Lauderdale FL

Bonnet House is a "Save Americas Treasures" property. 35 acres of ocean-front property right on the famous Fort Lauderdale "Strip". Bonnet House is owned by the Florida Trust for Historic Preservation. About 60,000 visitors each year come to tour the house and the five pristine eco-systems on the 35 acres. Bonnet House owns 1500 feet of pristine beach front that is use ...see more

### President, CEO

Strawbridge Building Contractors

1983 – 2005 · 22 yrs

## Education

Grosse Pointe South

Pine Crest School

Project for Public Spaces

## Volunteer experience

### Advocate

PlacemakingX

Aug 2019 – Present · 1 yr 5 mos

Civil Rights and Social Action

I'm a co-founder of the Placemaking Leadership Council and a zealous nut when it comes to place-based work. We use the "SHE Lens" to analyze community conditions. We use Placemaking interventions to execute improvements and we strongly support this global movement to build healthy, inclusive, beloved communities.
