VI. DISSOLUTION

A. Limits on Dissolution. The Company shall have a perpetual existence, and shall be dissolved, and its affairs shall be wound up only upon the provisions established in Article II, Section C above. Notwithstanding any other provision of this Agreement, the Bankruptcy of any Member shall not cause such Member to cease to be a Member of the Company and upon the occurrence of such an event, the business of the Company shall continue without dissolution. Each Member waives any right that it may have to agree in writing to dissolve the Company upon the Bankruptcy of any Member or the occurrence of any event that causes any Member to cease to be a Member of the Company.

B. Winding Up. Upon the occurrence of any event specified in Article II, Section C, the Company shall continue solely for the purpose of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors. C. Distributions in Kind. Any non-cash asset distributed to one or more Members in liquidation of the Company shall first be valued at its fair market value (net of any liability secured by such asset that such Member assumes or takes subject to) to determine the profits or losses that would have resulted if such asset were sold for such value, such profit or loss shall then be allocated as provided under this Agreement. The fair market value of such asset shall be determined by the Members or, if any Member objects, by an independent appraiser (any such appraiser must be recognized as an expert in valuing the type of asset involved) approved by the Members.

D. Termination. The Company shall terminate when (i) all of the assets of the Company, after payment of or due provision for all debts, liabilities and obligations of the Company, shall have been distributed to the Member in the manner provided for under this Agreement and (ii) the Company's registration with the state of Louisiana shall have been canceled in the manner required by Louisiana law.

E. Accounting. Within a reasonable time after complete liquidation, the Company shall furnish the Members with a statement which shall set forth the assets and liabilities of the Company as at the date of dissolution and the proceeds and expenses of the disposition thereof.

F. Limitations on Payments Made in Dissolution. Except as otherwise specifically provided in this Agreement, each Member shall only be entitled to look solely to the assets of the Company for the return of its Initial Contribution and shall have no recourse for its Initial Contribution and/or share of profits (upon dissolution or otherwise) against any other Member, if any other such Member exists.

G. Notice to Louisiana Authorities. Upon the winding up of the Company, the Member with the highest percentage of Membership Interest in the Company shall be responsible for the filing of all appropriate notices of dissolution with Louisiana and any other appropriate state or federal authorities or agencies as may be required by law.

VII. EXCULPATION AND INDEMNIFICATION

A. No Member, Manager, employee or agent of the Company and no employee, agent or affiliate of a Member (collectively, the “**Covered Persons**”) shall be liable to the Company or any other person who has an interest in or claim against the Company for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on such Covered Person by this Agreement, except that a Covered Person shall be liable for any such loss, damage or claim incurred by reason of such Covered Person’s gross negligence or willful misconduct.

B. To the fullest extent permitted by applicable law, a Covered Person shall be entitled to indemnification from the Company for any loss, damage or claim incurred by such Covered Person by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of the authority conferred on such Covered Person by this Agreement. Expenses, including legal fees, incurred by a Covered Person defending any claim, demand, action, suit or proceeding shall be paid by the Company. The Covered Person shall be liable to repay such amount if it is determined that the Covered Person is not entitled to be indemnified as authorized in this Agreement. No Covered Person shall be entitled to be indemnified in respect of any loss, damage or claim incurred by such Covered Person by reason of such Covered Person’s gross negligence or willful misconduct with respect to such acts or omissions. Any indemnity under this Agreement shall be provided out of and to the extent of Company assets only.

C. A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any person as to matters the Covered Person reasonably believes are within such other person’s professional or expert competence and who has been selected with reasonable care by or on behalf of the Company, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, or any other facts pertinent to the existence and amount of assets from which distributions to the Member might properly be paid.

D. To the extent that, at law or in equity, a Covered Person has duties (including fiduciary duties) and liabilities relating thereto to the Company or to any other Covered Person, a Covered Person acting under this Agreement shall not be liable to the Company or to any other Covered Person for its good faith reliance on the provisions of this Agreement. The provisions of the Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the Member to replace such other duties and liabilities of such Covered Person.

E. The foregoing provisions of this Article IX shall survive any termination of this Agreement.

VIII. INSURANCE

The Company shall have the power to purchase and maintain insurance, including insurance on behalf of any Covered Person against any liability asserted against such person and incurred by such Covered Person in any such capacity, or arising out of such Covered Person's status as an agent of the Company, whether or not the Company would have the power to indemnify such person against such liability under the provisions of Article IX or under applicable law.

IX. GENERAL PROVISIONS

A. Notices. All notices, offers or other communications required or permitted to be given pursuant to this Agreement shall be in writing and may be personally served or sent by United States mail and shall be deemed to have been given when delivered in person or three (3) business days after deposit in United States mail, registered or certified, postage prepaid, and properly addressed, by or to the appropriate party.

B. Number of Days. In computing the number of days (other than business days) for purposes of this Agreement, all days shall be counted, including Saturdays, Sundays and holidays; provided, however, that if the final day of any time period falls on a Saturday, Sunday or holiday on which national banks are or may elect to be closed, then the final day shall be deemed to be the next day which is not a Saturday, Sunday or such holiday.

C. Execution of Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, and all of which shall together constitute one and the same instrument.

D. Severability. The provisions of this Agreement are independent of and separable from each other, and no provision shall be affected or rendered invalid or unenforceable by virtue of the fact that for any reason any other or others of them may be invalid or unenforceable in whole or in part.

E. Headings. The Article and Section headings in this Agreement are for convenience and they form no part of this Agreement and shall not affect its interpretation.

F. Controlling Law. This Agreement shall be governed by and construed in all respects in accordance with the laws of the state of the Company's incorporation (without regard to conflicts of law principles thereof).

H. Amendment. This Agreement may be amended only by written consent of the Class A Member. Upon obtaining the approval of any such amendment, supplement or restatement as to the Certificate, the Company shall cause a Certificate of Amendment or Amended and Restated Certificate to be prepared, executed and filed in accordance with Louisiana law. Class B Members shall not have a vote on any amendment, unless the rights of Class B Members as provided herein would be impacted by the amendment, in which case a majority vote as described herein of Class B Members would be required.

I. Entire Agreement. This Agreement contains the entire understanding among the parties hereto with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements and understandings, inducements or conditions, express or implied, oral or written, except as herein contained.

IN WITNESS WHEREOF, the Class A Member has executed and agreed to this Agreement, which shall be effective as of December 1, 2020.

Summary

Keithian was born in New Orleans, Louisiana and raised in an extremely creative environment. His grandfather taught him the saxophone and he played in his family's jazz band until he joined a boy group. The group signed a record deal, performed, and toured for several years while working on their debut album, but broke up before its release.

Keithian signed a solo deal with Virgin Records and started working on his debut album, but the label was shut down due to a merger. Frustrated with being caught up in the label system, he independently released his Power EP, toured, did residencies, served as a music director while writing & producing for other recording artists.

At the top of 2020, Keithian connected with producer / keyboardist Oliver Delcros-Sainville in a Rihanna session. The pair spent a week working on music for the Pop Goddess, but discovered a connection and started working on songs that become Keithian's "... to my Pain" EP. After that release, the pair continued to work together throughout the COVID-19 pandemic creating Keithian's upcoming Green Clouds EP.
