Everyone Counts, Inc
 2 yrs 8 mos

 - Chief Executive Officer**
 Jun 2018 – Nov 2018 · 6 mos
 San Diego, California
 Everyone Counts captures the voice of the voter in high fidelity to enable a better democratic process. We do this through our industry-leading online voting and voter registration products, driving towards disrupting the technology the sits at the very core of democracies around the world. Everyone Counts was acquired by blockchain voting innovator Vi [...see more](#)
 - Chief Technology Officer**
 Jan 2018 – Nov 2018 · 11 mos
 As head of Product, Engineering, and Customer Success I was responsible for the "complete product experience" from design through support. I set the strategic roadmap and oversaw product design, development, integrations, and go-to-market strategy, as well as managing key partner, vendor, and customer relationships. [...see more](#)
