Recognition:

24 HR Truck Services Inc (DBA 24 HR Truck Services) opened with the goal of innovating the transportation industry. They created and launched mobile apps and dashboard integrations to create on-the-road linkage and support for drivers, mechanics, fleets, and other transportation vendors. No longer would independent drivers be stuck on the road or fleets not have reliable access to support across the country. No longer would mechanics be unable to find work and worry about showcasing their specialized skill set. The time saved, increased operational efficiencies, and seamless access to resources across the country contributes to a healthier infrastructure for both companies, fleets, drivers, and mechanics.

About:

24 HR Truck Services Inc (DBA 24 HR Truck Services) brings new technology to the transportation ecosystem. They have developed and launched mobile apps and dashboard integrations to create on-the-road linkage and support for fleets, drivers, mechanics, and vendors in the trucking industry.
