Bodha.ai helps organizations achieve workplace synergy through cognitive analysis, specialize
performance support, and AI learning. While most talent acquisition tools are isolated from
performance management systems. Bodha.ai unifies pre-hiring and post-hiring data in order to
optimize for team cohesion.
What Is Team Cohesion?
At Bodha.ai, we define team cohesion as consistent events that happen when a team remains
unified while working to achieve a common goal. Having a cohesive team means that everyone
feels like they have contributed to the overall success of the group while meeting all ...see mor
