We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Wefunder's platform. Any indication of interest involves no obligation or commitment of any kind.

Hi Seth,

Natural Way has some exciting news for our current fundraising round. We are launching on **WeFunder**, a crowdsourcing platform, as a part of our current fundraise. We have a lead investor in Jeff Amerine, who is a member of Cadron Capital and a current investor in Natural Way.

Once we receive \$50K of commitments through the link below we are able to be seen on **WeFunder's** explore page that gives access to over 1.2M investors to invest in Natural Way. Investors can invest as little as \$100 and receive equity in Natural Way. Please use the link below to invest the amount you are interested. **

LINK: <https://wefunder.com/naturalway>

It's very easy to invest. Follow the 3 simple steps below:

1. Click the link provided (<https://wefunder.com/naturalway>)
2. Enter the amount you want to invest on the Natural Way **WeFunder** page.
3. Enter your banking information.

Please help us reach the \$50K threshold in order to launch live on **WeFunder's** explore page! We hope you will consider being a part of this amazing opportunity to raise funds as well as market Natural Way to a larger audience. Feel free to pass this link to anyone that you think would have interest in being a part of this opportunity in Natural Way!!

Thanks,

Hi Scott!

I first want to thank you for being a part of our first capital raise! While we fell a bit short of projections, it allowed Natural Way to go through a tremendous growth transformation and we are now poised for huge growth with new knowledge/experience and with additional retailer growth across the country (we are now in 1200+ stores!)! We certainly would love to have you be a part of this second company fundraise to help us reach our continued growth goals!
