Senior Software Engineer

Digital Pharmacist Inc. · Full-time

Nov 2018 – Jan 2021 · 2 yrs 3 mos

Austin, Texas Area

I initially served as the SME and technical lead for Digital Pharmacist's Telemanager IVR platform. The platform is primarily built on legacy VB.Net code, has a smattering of newer code in C#, and uses SQL Server as the persistence engine. There are also a large number of Pharmacy Management System interface DLLs written in VB6 that I am responsible ...see more
