Stephen J. Xanthos

Lead Project Manager at Punchcut (a.k.a. Dangerously Valuable Jack of all Trades, Master of Some, PM Extraordinaire™)

October 19, 2009, Anthony worked with Stephen J. in different groups

Stephen provided first-class web support for several of our campaigns that highly leveraged the web. More than producing visually sharp, user friendly websites, Stephen also provided valuable counsel when it came to crafting strategy for the roll-out. His work both online and at the conference table were excellent.
