Dio Phung

Sr. Engineering Manager at DocuSign, Stanford (I'm hiring)

August 7, 2018, Dio reported directly to Nicholas

I had the opportunity to work with Nick when he was at Tesla, and within a short period of time, I had been impressed with his excellent technical judgment and outstanding interpersonal skills. He left great positive impacts on the platforms and the solutions, helping us with a building solution for eve... See more

John Witchel

CEO, King Energy

September 29, 2017, John managed Nicholas directly

Nick is an outstanding leader. His excellent judgment in technical decisions, as well as his strong people skills with both other engineers as well as business stakeholders, made him a valuable member of our team. Nick could be counted on to consistently deliver top-notch code and he was one... See more
