GroupAma, that had an equity (large cap and mid cap) and fixed income portfolio totaling \$1.0 billion. Traveled extensively around the United States marketing an equity (large cap/mid cap) and fixed income portfolio totaling \$1.0 billion. Our strategy was to get in front of as many blue chip institutions as possible to pitch the GroupAma Portfolio. Our clients included Prudential, Merrill Lynch, Morgan Stanley, JPM among the brokerage firms. We also had success with the unions and pension industry. My focus was to educate their clients on asset allocation with the goal of diversifying their holdings into our product
