BioMedican; The Cannabinoids "CBD" Market is experiencing

astronomical grow rates expecting the market to be \$146 billion by 2026. There are over 200 known Cannabinoids many that are significantly more effective for treating multiple medical conditions than CBD's. The problem is it takes a significant amount of time to produce, is very expensive and there is a limited amounts that can be produced. BioMediCan has developed a Bio-synthesized process where th ...see more

### Charles Hays

Distressed  
Investments

December 11,  
2015, Charles  
worked with  
Dennis in different  
groups

I've know Dennis for years and he is a top flight professional and would recommend him without hesitation.

### Enzo V.

CEO and Chief  
Investment  
Officer, Alpha  
Sigma Capital

September 21,  
2013, Enzo worked  
with Dennis but at  
different  
companies

Dennis is a very well-connected and experienced investment banker and advisor. He can take complicated deals and get them in front of the right people and work through their challenges. Experience is mission critical in this business, and Dennis has seen it all.
