- **Co-Founder and COO**
Full-time
May 2021 – Present · 3 mos
Los Angeles, California, United States
- **Senior Fellow**
Jul 2021 – Present · 1 mo
Los Angeles Metropolitan Area

Brazen Bio Senior Fellows are subject matter experts, industry veterans and professionals with established track records of success across the biotech value chain. They serve as internal support for Brazen Bio (e.g., selection process of incoming founders) and generally support Brazen Fellows during and after the program on an as-needed basis. Above all, these are wonderful pe...see more

Post-Doc
University of Copenhagen
Sep 2008 – Feb 2011 · 2 yrs 6 mos
Copenhagen Area, Denmark

Recommendation from Professor Martin Lauritzen:
It is my pleasure to give Brent a full recommendation. He was a very productive post-doc in my laboratory at Copenhagen University. With his background in neuroanatomy and histology, Brent was able to add experimental neurophysiology skills to his training. While in my lab he ...see more

James Ooi
Senior Investigator,
Preclinical
Safety/Translational
Medicine at CNIBR, Novartis
May 22, 2018, James reported
directly to Brent M.

I am here to attest to the strong, efficient and effective leadership of Dr. Brent Witgen. I was a Principal Scientist/Histopathologist at Novo Nordisk, Beijing China from 2014 to 2017, when Brent was the head of the department that he single-handedly built. As the head of our department, Brent's ability to grasp the bi...

Adam Hargreaves
Consultant Preclinical
Pathologist and Managing
Director/Chief Scientific
Officer at PathCelerate Ltd.
May 7, 2018, Adam worked with
Brent M. but at different
companies

I have worked with Brent for a number of years during his tenure at Novo Nordisk. He is an extremely accomplished scientist and manager, and has exceptional loyalty, diligence and integrity. Brent's experience within the pharmaceutical industry is extensive; he has undertaken many roles, in very varied specialiti... See more
