

Investing is now open to friends.

We're crowdfunding!

Be a part of our mission to change energy for the better by investing in our company and the PowerPod.

Investing is open to friends and family before we invite the general public.

Click the button below for details or go to: <https://halcium.com/halium>

Invest

We are testing the waters to gauge investor interest in crowdfunding under Regulation Crowdfunding. No money or other consideration is being solicited. If any offering is accepted, the offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Halcium's platform. Any indication of interest involves no obligation or commitment of any kind.

halcium

Founded in 2017, Halcium Energy is a green energy
technology company that has raised over \$1M in the past year.
