## Experience

### Chief Executive Officer

MxG Fiber  
Mar 2019 – Present · 2 yrs 10 mos  
The Woodlands, TX

MxG Fiber is focused on supplying sustainable packaging to both the North American and European markets to meet the growing demand created by consumers and single use plastic bans. Beginning with our sustainable fiber supply, MxG Fiber is vertically integrated all the way through our advanced pulping and molding technologies. This enables us to provide cost competitive and highly functional compostable molded fiber packaging to replace single use plastic packaging. Growing our own raw material means your packaging is fully traceable, reliable, safe, and free of PFA chemicals.
