Executive Vice President Of Operations

MxG Fiber · Full-time

Mar 2019 – Present · 2 yrs 10 mos

The Woodlands, Texas, United States

MxG Fiber is focused on expanding the manufacturing of products from Miscanthus in both the North American and European markets. Beginning with our sustainable fiber supply, MxG Fiber is vertically integrated all the way through our conversion facilities that include compressed bagging for dust-free animal bedding as well as advanced pulping and molding technologies to produce thermoformed fiber products. This enables us to provide cost competitive and highly functional compostable molded fiber packaging to replace single use plastic packaging and meet the growing demand for more sustainable alternatives. Because MxG Fiber is vertically integrated, the packaging we produce is fully traceable, reli...see more
