Hi Julien Felix,

Thank you for your attention! This Technology has been my life work, and I am proud to share this opportunity with you! We are offering a massive discount for early investors, so please check out what we are doing, and let's end the waste pandemic together.

You can find our Wefunder Campaign right here:

<https://wefunder.com/zerocarbon/>

I believe that Zero Carbon on Wefunder a unique and ultra promising investment opportunity for any impact investor. Decentralized Power from Waste. Cost-Effective, Easy to Operate. A genuine growth opportunity. After three Years in Stealth Mode, Zero Carbon is open for Investment! German Government Funded Carbon-Negative Breakthrough Technology to Disrupt the Billion Dollar Waste Industry. The best part! Investment starts at USD 100. Now anyone can invest and make this vision of a sustainable future come true.

Mobile Impact Technology is combining High-Temperature Waste Conversion with next Generation Fuel Cell Technology for ultra-low emissions and high-efficiency power generation. Two Years of Testing at the Technical University in Zittau are successfully concluded, and now we are ready to enter new markets and grow a global company.

THE X5 Micro-Waste to Power Generator using Next-Generation Fuel Cell Technology

So what can you do?

- You can share our story with your network.
- Of course, you can benefit from our Early Bird Special

You can find our Wefunder Campaign right here:
