The Team

Ryan Dziki, Head Chef/co-owner

Ryan's been working in kitchens for almost 20 years now, between NH, MA, and CA. While he was out in California, he helped to open Table Vine with Chef Dan Sneed, as well as working at a few other establishments such as Pearl on the River and Mulvaney's. Upon returning to MA in 2017, Ryan was cooking at Puritan & Company before managing the kitchen at Bit Bar in Salem.

Ryan is excited to be able to bring this Wild Fox concept to life in Woburn, to showcase amazing flavors and techniques in support of our vision.

Julie Dziki, General Manager/co-worker

Julie comes from a Social Work program management background, and moved back into the hospitality industry back in 2016 in an effort to grow her bartending and managing skills for restaurants. In addition to building up and executing bar programs, she's also developed procedures, protocols and structure for the front of house staff. This experience has fueled Julie's passion and creativity to provide an excellent guest experience, hospitality, and an innovative bar program.

Adam's background is in software, and is currently a Staff Software Engineer and Team Lead at the Restaurant POS Toast. Adam is looking to utilize his technology and problem solving skillset to help innovate Wild Fox's adoption of technology to maximize revenues and profits, and to improve systems.

As President, Adam will be responsible for overall business operations, and probably still popping up at your favorite local area breweries slinging pierogi for you.

Our Story

Wild Fox is the combination of our families, Dziki (Wild in Polish) and Raposo (Fox in Portuguese). Polish and Portuguese foods have a lot in common: sausages, stews, warm and comforting food that makes you feel like home; and that's what we are looking to bring to Woburn. What started off as pop-ups showcasing our Polish and Portuguese culinary inspirations, we will be providing a comfortable atmosphere to enjoy our food and drinks.

- A true family business, our food is inspired by our culinary heritages.

- Rotating menu of food and drinks with a focus on hospitality will make our guests want to keep coming back to see what's on the menu.

Location

Located in downtown Woburn, we've secured a lease in the former Tanner Tavern/Black and Orange Tavern space to bring our brick and mortar concept to life! This area is packed full of a variety of unique eating establishments, and we're hoping that our blend of Portuguese and Polish inspired cuisine can add to the mix. We plan on modernizing the restaurant space to feel like a modern European bistro: clean, inviting, a little traditional and rustic; just like our brand. We hope that people in the Woburn area will enjoy coming to Wild Fox to relax, enjoy some great food and delicious local beverages, and enjoy our hospitality.

- Lots of great, diverse food options in downtown Woburn
- Tons of parking, residential, businesses in the area
- Vibrant population who enjoys trying new foods

Small businesses supporting small businesses

New England has become home to so many different options for beer, wine, and liquor, and in popping up at local area breweries over the past 4 years we've seen what these amazing businesses are putting out. Many people aren't able to get to all of these breweries, and we are planning to highlight the many amazing offerings around New England.

- Popping up at New England breweries has provided us with the network of contacts, and a unique view on the diversity of options for beer, wine and liquor within New England

If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	2.5 - 3.5% ²
Payment Deadline	2027-01-01
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.7 x 1.5 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	1.02%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 2.5% and a maximum rate of 3.5% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$125,000	2.5%
\$137,500	2.8%
\$150,000	3.0%
\$162,500	3.2%
\$175,000	3.5%

³ To reward early participation, the investors who contribute the first \$60,000.0 raised in the offering will receive a 1.7x cap. Investors who contribute after \$60,000.0 has been raised in the offering will receive a 1.5x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Julie Dziki	33%
Adam Dziki	34%
Ryan Dziki	33%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

MainVest will be paid 6.0% of the final offering amount, upon the successful completion of the offering. MainVest does not receive compensation if the offering does not succeed. MainVest, Inc. owns no interest in the Company, directly or indirectly, and will not acquire an interest as part of the Offering, nor is there any arrangement for MainVest to acquire an interest.

(P) Indebtedness of the Company

Creditor	Amount	Interest Rate	Maturity Date	Other Important Terms
American Express	\$2,000	0%	01/01/2022	Credit Card

(Q) Other Offerings of Securities within the Last Three Years

The Company has not made any offerings with other third-party regulation crowdfunding companies in the past three years.

(R) Transactions Between the Company and “Insiders”

The Company has not entered into any business transactions, including stock Purchases, salaries, property rentals, consulting arrangements, guaranties, or other agreements with any individual identified in Section 227.201 (r)(1)-(4) of Regulation Crowdfunding during the 12 months preceding this Offering.

(S) The Company’s Financial Condition

Minimal prior revenue

Wild Fox Restaurant Group, LLC was established in September 2017. We initially incorporated to start off slowly, as a side-gig for the three of us, spreading our pierogi brand with Massachusetts breweries. Accordingly, our operating revenue for the past three years have been significantly lower than our projections for the next three years where we are looking to open a brick and mortar location. When evaluating this investment opportunity, investors should consider factors outlined in the risk section as well.

COVID Changes

In 2020, due to changes in dine-in capabilities in response to COVID restrictions, we pivoted to selling frozen pierogi at farmers markets. We will continue to selling frozen product at farmers markets and pop-ups at breweries as we continue forward as well.

Forecasted milestones

We are aiming to open up as a full service restaurant, with a full liquor license in the Fort Point neighborhood. Our forecasts have the following milestones:

- Secure lease in South Boston by April 2021.
- We will be doing minimal if any construction on the space, and hope to have the space fully furnished by July 2021.
- Achieve \$2m revenue per year by the second year.
- Achieve \$400k profit per year by the second year.

(T) The Company’s Financial Statements

Please see Appendix B for historical financial statements.
