Sabbatical, Alzheimer's Patient Caretaker

Sabbatical / Caregiver

2007 – 2009 · 2 yrs

Louisville, Kentucky Area / Ft Lauderdale FL (Snow Birds)

After I finished an Engineering Design Contracting Job I decided to help a girl from church drive her father around for a COUPLE OF WEEKS because they needed help and I had some free time. She then had me interview with her brother and they told me they would pay me my contracting rate to hang out with their dad and take him to lunch with his business ...see more

Engineering Design Consultant, Technology Acquirer

Patent Warrior

2001 – 2007 · 6 yrs

Louisville, Kentucky Area

While working to acquire all the technology we created in the Agora partnership with Bell Labs, Lucent, Avaya, Qwest, Compaq and Computer Associates (CA), I started a cyber café / game center and did design drafting consulting gigs to pay the bills and pass the time. I worked to get the Agora patent approved. It was issued in 2005. I then wrote the C ...see more

Founder / CEO / CTO

Agora Interactive, Inc.

Oct 1995 – Oct 2000 · 5 yrs 1 mo

Agora partnered with Bell Labs, Lucent/Avaya, Compaq, QWEST and Computer Associates (CA) to create a true global operating system for convergence. Agora was listed in Avaya's first press release when they spun out from Lucent as a partner with cool technology. Charles Wang of CA called Agora's Technology "The Future of the Industry". Agora's technx ...see more
