Experience

Chief Executive Officer

Cycle · Permanent Full-time

Nov 2020 – Present · 10 mos

Victoria, British Columbia, Canada

I am responsible for pushing forward the mission of
sustainable, affordable computing for all. My specialty is in
programming and product development, but I wear many hats
and the position requires me to be a jack of all trades, master
of none.

I was responsible for managing the inventory, picking up and delivering customer cars, and transporting vehicles between dealerships.

QA Tester

InLight Entertainment
Jan 2013 – Oct 2015 · 2 yrs 10 mos
Victoria, BC

I tested videogames, entered in bugs and verified fixes. Also I sometimes was responsible for basic IT, repairing computer hardware and software. I worked with several projects at once sometimes, and had to prioritize bugs based on severity. I

Education

Draper University

Hero Training, Business/Commerce, General
2021 – 2021

Draper University is a school like no other, I learned an insane

amount in a very short amount of time. You will build a very strong network in just 6 short weeks, not to mention getting a chance to interact with some Silicon Valley titans.

Camosun College

Office Administration Certificate, Office Administration
2011 – 2012

Studied Office Administration

Mount Douglas High School, in Victoria, British Columbia

high school
2006 – 2010

I completed two information technology courses in high-school, focusing on three dimensional art, hardware, and basic programming. I also attended courses focused on basic office computer-related skills.

Volunteer experience

Mod Developer

Reborn Games Inc
Jun 2007 – Present • 14 yrs 3 mos
Science and Technology

Over the past decade, I've devoted thousands of hours to releasing free mods to the gaming community. Here is the list of projects in order from most current to least current:

Fallout 3 Reborn: http://www.moddb.com/mods/fallout-3-reborn-a-realism-mod
Escape: Paradise: http://www.moddb.com/mods/escape-paradise
Fallout New Vegas Reborn: http://www.moddb.com/mods/fallout-new-vegas-reborn
Left 4 Dead Reborn: http://www.moddb.com/mods/left-4-dead-reborn
BioShock Reborn: http://www.moddb.com/mods/bioshock-reborn
Battlefield 2 Reborn: http://www.moddb.com/mods/battlefield-2-reborn

These projects have all been invaluable in the experience I gained by interacting with the community and learning new engines and tool sets.
