COMPANY OVERVIEW

The Distillery at South Shore is the culmination of a unique and trendsetting concept for an establishment that is poised to become a destination within the City of Pittsburgh. This project seeks to capitalize and pay homage to its rich history as the Joseph S. Finch Distillery, originally established on this site in 1856, representing the last pre-prohibition distillery in the City of Pittsburgh. The Distillery will be a multi-faceted space that includes a distillery with a tasting room, an upscale convenience market, an artisan marketplace, a public dining house, a public/private cigar club, 10,000 sf event space with full catering facilities, and a rooftop bar and grill. The Distillery at South Shore will operate much of the premises as owner-operators and master tenant; that said, we will be strategically subleasing to artisans, craft producers, and promising restaurateurs on the first, second, and third floors. Other urban areas have had very successful models of this concept operating for years. To name a few: The Source in Denver, Chelsea Market in NYC, Reading Terminal in Philadelphia, Eataly in Chicago, and DeKalb Market in Atlanta. Each of these venues have enjoyed tremendous success in leveraging the burgeoning farm-to-table, locally-sourced, craft and artisanal trends which have been gathering momentum and strength. Despite recent and frequently recurring recognition as a foodie and restaurant mecca, Pittsburgh lacks such a venue. More broadly, given the renaissance of Pittsburgh as a technology and robotics powerhouse and its attendant growth, the time is now to establish one and capture the trend setting successful venues of other cities. Building upon and augmenting these concepts, we will incorporate seven-year operator Big Spring Spirits to serve as anchor and spirits producer to serve as the heart which pumps the blood of fine spirits into the body of the establishment.

ANTICIPATED BUSINESS PLAN

While the City of Pittsburgh has many attractions, it has few destinations. The creation of a destination is our focus.

The Distillery at South Shore seeks to leverage trends in the marketplace, create an overarching aesthetic around them, and do so in a building whose character and history -- the former Joseph S. Finch Distillery, established and built-in 1856, and the last pre-Prohibition distillery in the City of Pittsburgh -- accentuates it:

- *Artisan and craft products*
- *Locally-sourced*
- *Farm-to-table*
- *Craft/small-batch spirits*
- *Experiential trends: Experiences are being more valued than "stuff"*

The Distillery at South Shore will merge and concentrate many different yet synergistic offerings within the venue. The aim is to draw patrons in and keep them engaged by bringing under a single roof: an upscale convenience store, a distillery, an artisan marketplace, a tasting room featuring craft spirits,

microbrews and fine wines, event space for up to 400 people, a galley-style restaurant concept which will feature several distinct concepts within, a public/private cigar club and a riverside rooftop bar with a spectacular city skyline views.

Creating synergy and variety creates a “something for everyone” experience. Hosting myriad complementary products and services will keep patrons engaged throughout. For example, one might start by visiting the distillery, enjoy tastings of craft spirits, microbrews or Italian wines paired with artisan meats, cheeses, and perhaps chocolates, move upward to the restaurant level for a fuller meal, and finally retire to the rooftop to enjoy the sunset over an artisanal cocktail. A calendar peppered with myriad events, expositions, and fresh concepts ought to support a tagline of: "There's always something happening at The Distillery." Think of The Distillery at South Shore as a Dave & Buster’s --on steroids --for adults. Add to this the traffic generated by the volume of events expected at The Distillery and a very real potential exists for the creation of a powerhouse venue."

RISK FACTORS

A crowdfunding investment involves risk. You should not invest any funds in this offering unless you can afford to lose your entire investment. In making an investment decision, investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved. These securities have not been recommended or approved by any federal or state securities commission or regulatory authority. Furthermore, these authorities have not passed upon the accuracy or adequacy of this document.

The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.

These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination that these securities are exempt from registration.

You Might Lose Your Money

When you buy a certificate of deposit from a bank, the Federal government (through the FDIC) guarantees you will get your money back. Buying a Note is not like that at all. The ability of the Company to make the payments you expect, and ultimately to give you your money back, depends on a number of factors, including many beyond our control.

COVID-19 Might Have a Negative Material Effect on the Company

This offering is being launched at a time when the COVID-19 pandemic is requiring the closure of many businesses, large and small. The effects COVID-19 may have on economic activity are likely substantial and (as of this writing) unknown; there is no guaranty the Company will not suffer material negative effects as a direct or indirect result of the pandemic.

No Operating History

The Company has not yet begun operations.

Competition

The market in which we operate is highly competitive. The Company competes with many other businesses, both large and small, on the basis of quality and price of products, location and customer experience. Changes in customer preference away from the Company's core business or the inability to compete successfully against other competitors could negatively affect the Company's financial performance.

Licensing Risk

The Company may face changes in the state and federal laws in connection to any licensing required for the sale of its products. Such changes would require the dedication of Company resources to address or amend its current operations which may adversely affect its business strategy or profitability.

Interest Rate Might Not Adequately Compensate For Risk

Theoretically, the interest rate paid by a company should compensate the creditor for the level of risk the creditor is assuming. There is no certainty that the interest rate on your Note will compensate you adequately for the level of risk.

No Right to Participate in Management

As the owner of a Note, you will not have the right to control the Company in any way or to participate in its management. You should invest (buy a Note) only if you are willing to rely completely on the Company's management team.

Limited Products And Services

Most small, local businesses sell only one or two products or services, making them vulnerable to changes in technology and/or customer preferences.

Supplier Risk

The Company relies on third-party suppliers for the materials used in the manufacture of its products. If any of these suppliers changes the pricing, distribution, terms of service, or relationship with the Company, this could materially affect its business and/or profitability. Factors outside of the Company's control, including general market conditions, may affect its relationship with these suppliers. In addition, its ability to meet the obligations of its customers may be adversely affected if its suppliers fail to comply with agreed-upon services or quality standards in a cost-effective or timely manner.

Risk of Economic Downturn

The products the Company sells are luxuries, not necessities. In the event of a recession or other economic downturn, customers might curtail their purchase of our products.

Environmental Risk

The Company is subject to the risk of environmental liability and limitations on operations due to environmental laws and regulations. The Company is subject to extensive federal, state, and local environmental, health and safety regulations. The risks of substantial costs and liabilities related to compliance with these laws and regulations is an inherent part of the Company's business. Future conditions may develop or be discovered that create substantial environmental compliance or remediation liabilities and costs.

Price Risk

The Company competes in an industry with a commodity product where the Company may not have control of the prices it will receive for its product or the prices it must pay for inputs. Price uncertainty may negatively impact the Company's business and financial situation.

Use of Funds Risk

At the discretion of the Company's executive management team, funds raised in this offering may be used differently than specifically outlined in this document's Use of Funds section.

Personnel Risk

The Company uses human personnel to produce its product. Accidents, illnesses, death, divorce, or lack of productivity could negatively impact the ability of personnel and, therefore, the business.

Lack Of Accounting Controls

Larger companies typically have in place strict accounting controls. Smaller companies like the Company lack these controls, exposing themselves to additional risk.

Reputation Risk

The success of the Company depends on the reputation of its brand. Adverse publicity concerning the Company's products or the Company itself could negatively impact the future of its business.

The Company Might Need More Capital

The Company might need to raise more capital in the future to expand its operations, buy property and equipment, hire drivers and other personnel, market its products and services, pay overhead and general administrative expenses, or a variety of other reasons. There is no assurance that additional capital will be available when needed, or that it will be available on terms that are not adverse to your interests as an investor. If the Company is unable to obtain additional funding when needed, it could be forced to delay its business plan or even cease operations altogether.

Future Investors Might Have Superior Rights

If the Company needs more capital in the future, it might borrow money and/or sell stock, and the new investors might have rights superior to those of an investor owning a Note. For example, they might have the right to be paid before you are, to receive larger distributions, to have a greater voice in management, or otherwise.

Inability To Sell Your Note

The law prohibits you from selling your Note (except in certain very limited circumstances) for one year after you acquire it. Even after that one-year period, a host of Federal and State securities laws may limit or restrict your ability to sell your securities. Even if you are permitted to sell, you will likely have difficulty finding a buyer because there will be no established market. Given these factors, you should be prepared to hold your Note for its full term.

Limitation of Individual Rights in Event of Default

In the event of a default under the Notes, an individual investor will not have the right to enforce his, her or its rights – for example, by bringing a lawsuit. Instead, the investors will appoint a representative using a procedure set forth in the Note Purchase Agreement. It's possible that the investors as a group will appoint a representative you don't like, or that the representative will do things you believe are wrong or misguided. Once a default has occurred and a representative has been appointed, all the expenses of the representative must be paid before any further payments are made with respect to the Notes.

Lack of Key Man Insurance

The Company will carry Key Man Insurance on Kevin Lloyd. Although dependent on other key personnel, the Company does not have any key man life insurance policies on any such people other than Mr. Lloyd. In the event that such personnel die or become disabled, the Company will not receive compensation to assist for their absence and the loss of such person could negatively affect the Company.

The Owners Could Be Bad People Or Do Bad Things

The owners of the Company could be dishonest and take your money. Even people who are very honest sometimes do dishonest things in desperate situations – for example, when their company is on the line,

or they're going through a divorce or other stressful life event. It is possible that the management of the Company, or an employee, would steal from or otherwise cheat the Company, and you.

Uninsured Losses

Although the Company will carry some insurance, we might not buy enough insurance to guard against all the risks of our business. Also, there are some kinds of risks that are simply impossible to insure against, at least at a reasonable cost. Therefore, we could incur an uninsured loss that could damage our business.

Conflict Of Interest

In many ways your interests and the interests of the Company's management team will coincide: you all want the Company to be as successful as possible. However, your interests might be in conflict in other important areas, including these:

- You might want to keep the compensation of managers low, while managers want to make as much as they can.
- You might want the Company to act conservatively to conserve its cash, while the management team might want to grow more quickly.
- You might want the Company to look out for your interests, while the management team might subordinate your interests to the interests of employees, other investors, or others.
- The lawyers who prepared the legal documents represent the interests of the Company, not the interests of investors.
- Management team might own and/or operate a business which might be a competitive business

No Registration Under Securities Laws

The Notes will not be registered with the SEC or the securities regulator of any State. Hence, neither the Company nor the Notes are subject to the same degree of regulation and scrutiny as if they were registered.

Incomplete Offering Information

Title III does not require us to provide you with all the information that would be required in some other kinds of securities offerings, such as a public offering of shares (for example, publicly-traded firms must generally provide investors with quarterly and annual financial statements that have been audited by an independent accounting firm). Although Title III does require extensive information, as described above, it is possible that you would make a different decision if you had more information.

Lack Of Ongoing Information

The Company will be required to provide some information to investors for at least one year following the offering. However, this information is far more limited than the information that would be required of a publicly-reporting company; and the Company will be allowed to stop providing annual information in certain circumstances.

The Company is Not Subject to the Corporate Governance Requirements Of National Securities Exchanges

Any company whose securities are listed on a national stock exchange (for example, the New York Stock Exchange) is subject to a number of rules about corporate governance that are intended to protect investors. For example, the major U.S. stock exchanges require listed companies to have an audit committee made up entirely of independent members of the board of directors (i.e., directors with no material outside relationships with the company or management), which is responsible for monitoring the company's compliance with the law. The Company will not be required to implement these and other investor protections.

Cost of Enforcement

If the Company defaulted, investors would have to engage lawyers and possibly other third parties to enforce their rights. The cost of enforcement could be prohibitive.

Other Lenders Could Have Superior Rights

The Company will take out other loans. In itself this is not risky, but these lenders will likely have a claim to collateral superior to the collateral claimed by the Note. For example, the lenders might have a claim to the future cash flows or equity ownership of the Company, or the equipment owned by the Company whereas the Note has a claim to the equipment purchased with its own proceeds. Moreover, the lenders might have clauses in their lending agreements with the Company that compel the Company to pay them first over other lenders. If the Company runs out of cash, and has a choice to pay the other lenders or the Holders of the Note, it might decide (or be required) to pay its other lenders first.

The Guarantors Might Not Have Money

The Notes are being personally guaranteed by Talleyrand Holdings, LLC. That means that if the company fails to make the payments required by the Notes, investors can look to the guarantors for payment. However, the guarantors themselves might not have the money to repay investors.

The Company Will Require Additional Funding

The Company will need to secure additional capital in order to successfully execute its business plan, beyond what is being sold in this offering. If the Company fails to raise additional capital, the project may not be successful.

Previous Bankruptcies

Key Person William Stolze has previously filed Chapter 7 bankruptcy in 2000 and Chapter 11 bankruptcy in 2016.

Dram Shop Liability Risk

The Company plans to serve alcoholic beverages on its premises, subject to local, state and federal laws and regulations. Under law, if an establishment serves alcoholic beverages to a visibly intoxicated person, that establishment (in this case, the Company) is liable for any damages caused by that person, even if these damages occur outside of Company property, or a time subsequent to the service of alcoholic beverages to that person (this is known as Dram Shop liability). The Company could be subject to legal liability if the persons or entities so injured sue the Company and the resulting liability is not covered by insurance.

Social Host Liability Risk

Insofar as the Company plans to serve alcoholic beverages on its premises, it incurs the risk that it might serve these beverages to minors, either knowingly or unknowingly. If this occurs, the Company or its employees might be subject to criminal penalties or arrest, impeding their ability to operate the Company or damaging the Company's brand or reputation. Moreover, the Company might be liable for

any damages not covered by insurance caused by an underage person under the influence of alcohol, to the extent that the Company or its employees knowingly served alcohol to an underage person.

Premises Liability Risk

The Company plans to serve beer at a physical tap room. Even if the Company complies with all applicable laws and regulations concerning the service of alcoholic beverages, and even if nobody at its events consumes alcohol, customers might become injured due to the negligence of the Company. For example, customers might fall because the taproom was constructed improperly. If the customers so injured sue the Company, the resulting liability might not be covered by insurance.

TRANSACTION MECHANICS

The following describes the process to invest in South Shore Distilling, LLC and how an investor's transaction and delivery of securities will be completed.

- a. *Investor Commitment*: Through the Honeycomb Portal, an investor will submit a requested investment amount. As a part of this process, an investor will execute an investment contract with South Shore Distilling, LLC ("Note Purchase Agreement") by way of the investor's electronic signature.
- b. *Acceptance of Investment*: Upon completion of the investment commitment, the investor will receive via email a confirmation of their transaction detailing the amount, terms, and date of execution.
- c. *Investor Transfer of Funds*: Upon receiving confirmation that an investment has been accepted, the investor will transfer funds to the escrow account of a third-party bank managed by Honeycomb Portal.

- d. *Early Closings*: If the target offering amount is met prior to the original deadline date, we may close the offering earlier, but no less than 21 days after the date on which the Form C is posted on the Honeycomb Portal.
- e. *Book Entry*: All investments will be in book entry form. This means that the Investor will not receive a certificate representing their investment. Each investment will be recorded by Honeycomb Portal and visible by the investor through their Investor Dashboard.

Investors may cancel an investment commitment until 48 hours prior to the deadline identified in these offering materials.

The intermediary will notify investors when the target offering amount has been met.

If the issuer reaches the target offering amount prior to the deadline identified in the offering materials, it may close the offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment).

If an investor does not cancel an investment commitment before the 48-hour period prior to the offering deadline, the funds will be released to the issuer upon closing of the offering and the investor will receive securities in exchange for his or investment.

If an investor does not reconfirm his or her investment commitment after a material change is made to the offering, the investor's investment commitment will be cancelled and the committed funds will be returned.

Note: For more information about the investment and cancellation process, see Honeycomb's Education Materials.

Details of Security Being Offered

The securities being offered to investors are promissory notes, which we refer to as "Notes." The Notes are governed by a separate document called a Note Purchase Agreement, which you can view on the "Investor Info" tab of the campaign page.

This section summarizes the principal features of the Note Purchase Agreement. However, this is only a summary. Before investing, you should read the Note Purchase Agreement in their entirety.

- The principal amount of your Note will be the amount you invest.
- Your Note will accrue interest at a rate of 7.75% per year. The accrual of interest will begin after a 45-day interim period following the closing date of the offering – that is, when the money paid by investors is released to the Company – not on the date you invest.
- Your Note will pay interest-only for the first 12 months following the 45-day interim period. After twelve months, the loan will become fully amortizing and accrue interest and principal payments for the remainder of the term.

- The Company must pay the accrued interest on a quarterly basis (every three months), starting 45-days after the closing date of the offering.
- The Company must repay your principal (the amount you invested) 96 months from the end of the 45-day interim period or, if sooner, the date that the Company is sold or otherwise experiences a “change of control.” The Company may also prepay the Note. Any prepayments will first be applied to accrued interest, then to principal.
- All communications from the Company, including but not limited to all tax forms, will be via electronic delivery.
- All payments will be made in U.S. dollars as Automated Clearing House (ACH) deposits into an account you designate. If you don’t authorize the Company to make such ACH distributions into a designated account, payments will be made by check and mailed to you after deducting a \$50 processing fee.
- Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company.
- If there is a default under your Note, you may not take collection action personally. Instead, you and the other investors will together appoint a single representative to represent all of you. This Administrative Agent will have the power to take any action against the Company that he or she believes is appropriate. The fees and any expenses of the Administrative Agent will be the responsibility of the Company, but the Administrative Agent will be paid before any additional amounts are paid to you or other investors.
- If you want to sell your Note, you must first offer to sell it back to the company – a so-called “first right of refusal.” If the Company doesn’t buy it, the Company may impose restrictions on the transfer. For example, the Company may require a legal opinion that the transfer is allowed under the securities laws.
- The Note offered does not have any voting rights.
- The Terms of the Note being offered may not be modified or amended.

Restrictions on Transfer of the Securities Being Offered

The Note will be illiquid (meaning you might not be able to sell it) for four reasons:

- The Note Purchase Agreement prohibits the sale or other transfer of Notes without the Company’s consent.
- If you want to sell your Note, the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes as there would be for a publicly-traded company.

- For a period of one year, you will not be allowed to transfer the Note except (i) to the Company itself, (ii) to an “accredited” investor, (iii) to a family or trust, or (iv) in a public offering of the Company’s shares.

As a result, you should plan to hold your Note until maturity.

ADDITIONAL MATTERS RELATED TO THE SECURITY

1. *How may the rights of the securities being offered be materially limited, diluted or qualified by the rights of any other class of security identified above?*

The Company does not have the right to change the terms of the promissory notes or the Note Purchase Agreement. However, it does have the right to create additional classes of securities, both equity securities and debt securities. Some of these additional classes of securities could have rights that are superior to those of the promissory notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

2. *Are there any differences not reflected above between the securities being offered and each other class of security of the issuer?*

The owners of the promissory notes will not have the right to share in the profits of the company or participate in the management of the company.

3. *How could the exercise of rights held by the principal shareholders affect the purchasers of the securities being offered?*

The principal shareholders could make decisions that are bad for the company and thereby adversely affect the economic interests of investors holding promissory notes. They could also issue other classes of securities with rights superior to those of investors holding promissory notes.

4. *How are the securities being offered being valued? Include examples of methods for how such securities may be valued by the issuer in the future, including during subsequent corporate actions.*

The value of the Notes is determined by the face amount of the note payable to be issued. The terms of the Notes were determined by the Owner based on the Owner’s opinion about the value of the project.

The Owner does not expect there to be any reason to place a value on the Notes in the future. In the event that future valuation is required, any value given the notes by the company will be determined in accordance with U.S. generally accepted accounting principles.

5. *What are the risks to purchasers of the securities relating to minority ownership in the issuer?*

n/a

6. *What are the risks to purchasers associated with corporate actions, including additional issuances of securities, issuer repurchases of securities, a sale of the issuer or of assets of the issuer or transactions with related parties?*

The company could issue securities with rights superior to those of the promissory notes.

If the company is sold, the owners of the promissory notes have the right to receive all of the principal and accrued interest.

Transactions with related parties – for example, the payment of excessive compensation – could reduce the amount of money available to make payments with respect to the promissory notes.

7. *What other exempt offerings has the issuer conducted within the past three years?*

None

Report on the Balance Sheet

We have audited the accompanying balance sheet arising from cash transactions of South Shore Distilling, LLC (Company) as of October 12, 2021, and related notes to the balance sheet.

Management's Responsibility for the Balance Sheet

Management is responsible for the preparation and fair presentation of this balance sheet in accordance with the cash basis of accounting; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of balance sheets that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this balance sheet based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the balance sheet is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the balance sheet. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the balance sheet, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the balance sheet in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the balance sheets.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the balance sheet referred to above presents fairly, in all material respects, the financial position of the Company as of October 12, 2021, in accordance with the cash basis of accounting.

Emphasis of Matter - Financial Statement Presentation

We draw attention to Note 2 to the balance sheet, which describes that the accompanying balance sheet was prepared for the purpose of complying with the terms of the lending agreement between the Company and Honeycomb Credit and is not intended to be a complete presentation of the Company's financial statements. As a result, the balance sheet may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the balance sheet, which describes the basis of accounting. The balance sheet is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Emphasis of Matter - Going Concern

The accompanying balance sheet has been prepared assuming that the entity will continue as a going concern. As discussed in Note 3 to the balance sheet, the Company is currently in development stage. Management's evaluation of the events and conditions and management's plans to mitigate these matters are also described in Note 3. The balance sheet does not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

NOTES TO BALANCE SHEET

OCTOBER 12, 2021

NOTE 1 - ORGANIZATION

South Shore Distilling, LLC (Company) was formed on August 5, 2021 (date of inception) and is owned 100% by Tallyrand Holdings, LLC. The Company is a craft distillery located in Pittsburgh, Pennsylvania.

As of October 12, 2021, the Company had not commenced operations.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by management in the preparation of the accompanying balance sheet follows:

Basis of Accounting - The balance sheet of the Company have been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). The cash basis of accounting differs from GAAP primarily because revenues are recognized when received rather than when earned and expenses are recorded when paid rather than when incurred. The balance sheet therefore present only cash and cash equivalents and changes therein in the form of cash receipts and disbursements.

Use of Estimates - The preparation of the balance sheet in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the balance sheet. Actual results could differ from those estimates.

Presentation of Financial Statements - The cash basis of accounting generally require the presentation of financial statements that consist of comparative statements of financial position, operations and retained earnings and cash flows. Management has elected to omit these other statements for the purpose of complying with the terms of the lending agreement between the Company and Honeycomb Credit.

Cash - The Company maintains, at various financial institutions, cash and cash equivalents that may at times exceed federally insured amounts.

Income Taxes - The Company is organized as a limited liability company; therefore, for federal and state income tax purposes, all income, expenses, gains, losses and tax credits generated flow through to the members and, accordingly, do not result in a provision for income taxes for the Company. Net income (loss) for financial statement purposes may differ significantly from taxable income because of differences between the tax basis and financial reporting basis of assets and liabilities and the taxable income allocation requirements under the Company's LLC agreement. The taxable income or loss of the Company is included in the tax returns of the members in accordance with their respective ownership.

Subsequent Events - Management has evaluated subsequent events through October 21, 2021, the date on which the balance sheet was available to be issued.

NOTE 3 - GOING CONCERN

The Company is subject to risks and uncertainties associated with the restaurant industry, including supply chain and labor force disruptions. As of the October 12, 2021, the Company has not commenced operations and has equity of \$5,000. These factors raise substantial doubt about the Company's ability to continue as a going concern. The continued existence of the Company depends on several factors, including but not limited to its ability to secure additional funding and capital.

As of the date of the balance sheet, the Company has not obtained additional funding.

Each Note is on parity with all Notes issued pursuant to this Agreement and rank equally, without preference among themselves. Any amounts to be distributed pursuant to this Agreement and the Notes to the Holders shall be made pro rata in proportion to the amount then outstanding under each Holder's respective Note.

2.5 Maximum Lawful Rate.

In no event shall Issuer be obligated to pay interest on the Note to the extent it exceeds the highest rate of interest that may be lawfully contracted for, charged or received by such Holder, and in such event the Issuer shall pay such Holder interest at the highest rate permitted by applicable law.

Holder does not rely on its cash or other property used in this investment to pay for any of Holder's current living necessities, including but not limited to, Holder's food, housing, and utilities.
- (l) No Government Approval. Holder understands that no state or federal authority has reviewed this Agreement or the Note or made any finding relating to the value or fairness of the investment.
- (m) No Advice. Each Holder acknowledges and agrees that the Issuer has not provided the Holder with any investment, financial, or tax advice. Each Holder has been advised to consult with its own legal and financial advisors and tax experts prior to entering into this Agreement.
- (n) Tax Treatment. If any withholding tax is imposed on any payment made by Issuer to a Holder pursuant to a Note, such tax shall reduce the amount otherwise payable with respect to such payment. Upon request of Issuer, the Holder shall provide the Issuer with an Internal Revenue Service Form W-9 or other similar withholding certificate of a State, local or foreign governmental authority such that the Issuer may make payments under the Note without deduction for, or at a reduced rate of deduction for, any tax. - (a) The Administrative Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist. The duties of the Administrative Agent shall be mechanical and administrative in nature and shall not create any fiduciary or trust relationship in respect of any Holder.

(b) The function and duty of the Administrative Agent shall be: (i) to execute any security agreement, mortgage or other Loan Document on behalf of the Holders providing for the grant of a security interest in favor of the Holders in property of the Issuer as contemplated in the Disclosure Document and in this Agreement; (ii) to enforce the rights and remedies of the Holders under any applicable Loan Document, including this Agreement, upon written direction from the Required Holders (as defined below) (an “Enforcement Proceeding”); and (iii) to hold proceeds collected by Administrative Agent following an Event of Default by the Issuer, including, but not limited to, from the sale of any Collateral, and to distribute such proceeds to the Holders in an amount consistent with the terms and conditions of this Agreement and the Holder’s respective Note; provided however, that in connection with this subsection (b)(iii), only, each Holder acknowledges and agrees that a successor Administrative Agent to Honeycomb Collateral LLC must be appointed pursuant to Section 5.7, below, and that in no event can Honeycomb Collateral LLC hold or distribute proceeds on behalf of the Holders.

(c) In connection with any Enforcement Proceeding, the Administrative Agent shall have the power, on behalf of each Holder, to pursue such remedies as may be available by law and pursuant to this Agreement, for the purpose of maximizing the return to the Holders as a group, and to settle the claims of each Holder on such terms as the Administrative Agent may determine in its sole and unlimited discretion, subject to the other provisions of this Agreement. The Administrative Agent may pursue such remedies notwithstanding that the Administrative Agent does not have physical possession of the Notes and without naming the Holders as parties.

(d) The Administrative Agent takes no responsibility and makes no statement regarding the validity, extent or enforceability of the Loan Documents or the lien priority or position that the Holders will have as a result of the Loan Documents.

5.3 Instructions from the Holders. The Administrative Agent agrees, upon the written request of the Holders holding at least a majority of the then outstanding amount of the obligations evidenced by the Notes on an aggregate basis (the “Required Holders”), to take or refrain from taking any action of the type specified as being within the Administrative Agent's rights, powers or discretion herein, provided that the Administrative Agent shall not be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement, any loan agreements with third parties (if applicable), or any of the other Loan Documents or applicable Law. Additionally, Administrative Agent shall have no obligation to comply with instructions from the Required Holders to initiate or continue an Enforcement Proceeding without sufficient funds being made available in advance to Administrative Agent to cover the Administrative Agent’s out-pocket-expenses, including, but not limited to, filing fees and costs, required to initiate or continue such Enforcement Proceeding. Any action taken or failure to act pursuant to such instructions shall be binding on the Holders. No Holder shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder in accordance with the instructions of the Required Holders, or in the absence of such instructions, in the absolute discretion of the Administrative Agent. Holders acknowledge and agree to electronic communications by and between the Holders and the Administrative Agent and any Holder’s failure to affirmatively instruct the Administrative Agent within the time prescribed by Administrative Agent shall be deemed as the Holder’s consent to the action or inaction taken by the Administrative Agent.

5.4 Nonrecourse Liability. The Administrative Agent shall not be liable to any Holder for any action taken or omitted to be taken by it or them hereunder, or in connection herewith including pursuant to this Agreement or any other Loan Document, unless caused by Administrative Agent’s own gross negligence or willful misconduct.

5.5 Reimbursement and Indemnification of Administrative Agent by Issuer. Issuer agrees to reimburse, indemnify defend and save the Administrative Agent harmless from and against all liabilities, costs, expenses or disbursements, including attorneys' fees and disbursements, of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Administrative Agent, in its capacity as such, in any way relating to or arising out of this Agreement or any other Loan Document; provided that Issuer shall not be liable for any portion of such liabilities, costs, expenses or disbursements if the same results from the Administrative Agent's gross negligence or willful misconduct.

5.6 Compensation. Administrative Agent shall be entitled to compensation and reimbursement of expenses as set forth below which amounts shall be the obligation of the Company and shall be added to the amounts otherwise payable under the Notes:

- (a) Flat Fee. As compensation to the Administrative Agent for the services provided by the Administrative Agent to the Holders in the execution and documentation of any Collateral securing the obligations evidenced by the Notes, Holders acknowledge and agree that Administrative Agent may be paid a flat fee.
- (b) Hourly Rate. As compensation to the Administrative Agent for the services provided by the Administrative Agent in connection with any Enforcement Proceeding, Administrative Agent shall be entitled to receive reasonable compensation at the hourly rate plus reimbursement of all out of pocket expenses reasonably incurred by the Administrative Agent.
- (c) Surcharge. Upon the occurrence of an Event of Default that is continuing, all payments under the Notes shall be directed to and held in escrow until the Event of Default is cured or otherwise resolved. Each Holder acknowledges and agrees that the Administrative Agent may surcharge (i) the Collateral, if any, and (ii) the funds maintained in escrow in an amount equal to the outstanding and unpaid portion of the compensation due and payable to the Administrative Agent under the terms of this Agreement, prior to causing the balance of said proceeds or funds to be distributed to the Holders on a pro rata basis.

5.7 Successor Administrative Agent. The Administrative Agent (i) may resign as Administrative Agent by providing Notice ("Notice of Resignation") or (ii) shall resign if such resignation is requested by the Required Holders, by giving not less than thirty (30) days' prior written notice to the Holders and the Issuer. Upon the occurrence of an Event of Default, each Holder hereby acknowledges and agrees that Honeycomb Collateral LLC shall resign as the Administrative Agent and that the Holders must appoint a successor Administrative Agent on or before the date specified in the Notice of Resignation. Each Holder further acknowledges that Honeycomb Collateral LLC cannot hold or distribute funds on behalf of any Holder and that a successor Administrative Agent must be appointed prior to the receipt of any funds on behalf of any Holder in any Enforcement Proceeding or otherwise. If the Administrative Agent resigns under this Agreement, then either (a) the Required Holders shall appoint from among the Holders a successor agent for the Holders or (b) if a successor agent shall not be so appointed and approved within the earlier of: (i) the thirty (30) day period immediately following the Administrative Agent's Notice of Resignation; or (ii) the need to appoint a successor Administrative Agent to receive and distribute funds on behalf of Holders, as reasonably determined by Honeycomb Collateral LLC in its sole discretion, then the Administrative Agent shall appoint a successor agent who shall serve as Administrative Agent until such time as the Required Holders appoint a successor agent. For purposes of appointing a successor Administrative Agent, only, the Required Holders shall be determined by reference to Holders holding at least a majority of the then outstanding amount of the obligations evidenced by the Notes on an aggregate basis that have cast a vote timely. Upon its appointment pursuant to either clause (a) or (b) above, such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent, effective upon its appointment, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement. After the resignation of any Administrative Agent hereunder, the provisions of this Agreement shall inure to the benefit of such former Administrative Agent and such former Administrative Agent shall not by reason of such resignation be deemed to be released from liability for any actions taken or not taken by it while it was an Administrative Agent under this Agreement.

5.8 Calculations. In the absence of gross negligence or willful misconduct, Holder acknowledges and agrees that there will be no liability for any error in computing the amount payable to any Holder whether in respect of the Notes, fees or any other amounts due to the Holder under this Agreement. In the event an error in computing any amount payable to any Holder is made, the Administrative Agent, the Issuer and each affected Holder shall, forthwith upon discovery of such error, make such adjustments as shall be required to correct such error.

ARTICLE VI

EVENTS OF DEFAULT

6.1 Event of Default. Any of the following shall constitute an "Event of Default":

- (a) Non-Payment. The Issuer fails to pay to a Holder any amount due and such failure continues for thirty (30) days following written notice to the Issuer; or
- (b) Representation or Warranty. Any representation, warranty or certification by or on behalf of the Issuer shall prove to have been incorrect in any material respect on or as of the date made or deemed made; or
- (c) Insolvency. Issuer ceases or fails to be solvent or admits in writing its general inability to pay, its debts as they become due, subject to applicable grace periods, if any;
- (d) Breach of Other Obligations. Issuer breaches a material obligation owed to a third party, including breach of any loan documents with another lender; or
- (e) Involuntary Proceeding. The Issuer becomes subject to an involuntary proceeding of bankruptcy, insolvency, or otherwise subject to receivership and remains so for a period of ninety (90) days; or
- (f) Change of Control. All outstanding principal and accrued interest shall be immediately due and payable upon a Change of Control of the Issuer. For these purposes, the term "Change of Control" means (i) the sale or other disposition of all or any substantial portion of the assets or equity securities of the Issuer; (ii) a change in more than fifty percent (50%) of the effective voting power of the Issuer; or (iii) any merger or reorganization of the Issuer, except a merger in which those in control of the Issuer retain more than fifty percent (50%) of the combined voting power of the resulting entity; or
- (g) Bankruptcy. Issuer files a voluntary bankruptcy proceeding.

6.2 Remedies. Upon the occurrence and during the continuance of an Event of Default in Section 6.1(a)-(f), then the Required Holders may instruct the Administrative Agent to declare all amounts owed under the Notes to be immediately due and payable. Upon the occurrence of an Event of Default in Section 6.1(g), all amounts owed under the Notes shall automatically be accelerated and become immediately due and payable without prior written notice or demand. Upon the occurrence of any Event of Default that is continuing, Holders shall have the right to exercise all rights and remedies available to them under this Agreement, any Loan Document, at law or in equity, consistent with the procedures set forth in this Agreement.

6.3 No Individual Right of Action. Each Holder acknowledges and agrees that no Holder has an individual right of action to enforce its Note or any of the Loan Documents against the Issuer and is bound by the decision and instructions provided to the Administrative Agent by the Required Holders consistent with the terms of this Agreement.

6.4 Force Majeure. An Event of Default shall not be deemed to have occurred if a breach or failure by the Issuer is caused by Acts of God, government restrictions (including the denial or cancellation of any export, close of business or other extraordinary measures), wars, insurrections and/or any other cause beyond the reasonable control of the Issuer; provided that the Administrative Agent shall give Holders written notice describing the force majeure in reasonable detail given the information presently available. Performance under the Notes is suspended for the period of time in which the force majeure is in effect, plus thirty (30) days thereafter (the "Force Majeure Period"). The Force Majeure Period may be extended further in the discretion of the Administrative Agent with the consent of the Required Holders pursuant to the procedures outlined in Section 5.3 of this Agreement. Any payments made by any Issuer during the Force Majeure Period are not subject to refund.

ARTICLE VII

MISCELLANEOUS

7.1 LIMITATIONS ON DAMAGES. NEITHER ISSUER NOR ADMINISTRATIVE AGENT WILL BE LIABLE TO ANY HOLDER FOR ANY LOST PROFITS OR SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, EVEN IF HOLDER DISCLOSES IT MIGHT INCUR THOSE DAMAGES. The maximum liability the Issuer or Administrative Agent may have to any Holder is the amount of such Holder's investment as evidenced by the Note.

7.2 NO CLASS ACTION CLAIMS. NO LAWSUIT SHALL PROCEED ON A CLASS, REPRESENTATIVE, OR COLLECTIVE BASIS. No party may join, consolidate, or otherwise bring claims for or on behalf of two or more individuals or

unrelated corporate entities in the same lawsuit unless those persons are parties to a single transaction. An award shall determine the rights and obligations of the named parties only, and only with respect to the claims in the lawsuit, and shall not (i) determine the rights, obligations, or interests of anyone other than a named party, or resolve any claim of anyone other than a named party, or (ii) make an award for the benefit of, or against, anyone other than a named party. No administrator or arbitrator shall have the power or authority to waive, modify, or fail to enforce this paragraph, and any attempt to do so, whether by rule, policy, arbitration decision or otherwise, shall be invalid and unenforceable. Any challenge to the validity of this paragraph shall be determined exclusively by a court and not by the administrator or any arbitrator. If this paragraph shall be deemed unenforceable, then any proceeding in the nature of a class action shall be handled in court, not in arbitration

7.3 Consent to Jurisdiction and Service of Process; Waiver of Jury Trial.

(a) Issuer and each Holder hereby: (i) irrevocably submits to the jurisdiction of the Court of Common Pleas of Allegheny County, Pennsylvania and to the jurisdiction of the United States District Court for Western Pennsylvania for the purposes of any action or proceeding arising out of or relating to any of this Agreement or the Notes or the subject matter thereof and brought by the Administrative Agent on behalf of the Holder; (ii) waives and agrees not to assert, by way of motion, as a defense or otherwise, in any such action or proceeding, any claim that (A) it is not personally subject to the jurisdiction of such courts, (B) the action or proceeding is brought in an inconvenient forum or (C) the venue of the action or proceeding is improper; and (iii) agrees that, notwithstanding any right or privilege it may possess at any time, such party and its assets are subject to suit on account of the obligations assumed by it hereunder.

(b) THE PARTIES WAIVE THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY OF THE TRANSACTION DOCUMENTS OR THE SUBJECT MATTER THEREOF AND BROUGHT BY ANY OTHER PARTY.

(c) The Holders acknowledge that this is a commercial transaction, that the foregoing provisions for consent to jurisdiction, service of process and waiver of jury trial have been read, understood and voluntarily agreed to by them and that by agreeing to such provisions they are waiving important legal rights. The obligations of the parties under this Section will survive any termination of this Agreement.

7.4 Creditor-Debtor Relationship. The relationship between each Holder, on the one hand, and the Issuer, on the other hand, is solely that of creditor and debtor.

7.5 Expenses. Each party shall be responsible for its own expenses, including without limitation all attorney's fees which arise out of or relate to the documentation of this Agreement or the Notes. Upon the occurrence of an Event of Default or commencement of an Enforcement Proceeding, the costs and expenses incurred by the Administrative Agent on behalf of the Holders, including reasonable attorneys' fees and costs, shall be added to and become a part of the obligations owed by the Issuer under this Agreement.

7.6 Notices. All notices, consents, requests, demands and other communications required or permitted hereunder: (a) will be in writing; (b) will be sent by electronic delivery, including all tax forms, to the email address provided by the Holder on the Site and shall be deemed transmitted when sent. Notices to the Administrative Agent and the Issuer may be sent electronically to the email addresses provided in their respective signature blocks.

7.7 Amendments. This Agreement and the Notes may be amended only by a writing signed by the Issuer on the one hand and by the Administrative Agent on behalf of the Holders on the other hand, and any such amendment will be effective only to the extent specifically set forth in such writing.

7.8 Confidentiality. Each of the Holders shall maintain in confidence in accordance with its customary procedures for handling confidential information, all written information that the Issuer, furnishes to Holders ("Confidential Information"), other than any such Confidential Information that become generally available to the public other than as a result of a breach by the Holders of its obligations hereunder or that is or becomes available to the Holders from a source other than the Issuer, and that is not, to the actual knowledge of the recipient thereof, subject to obligations of confidentiality with respect thereto.

7.9 Miscellaneous. This Agreement and the Notes: (a) may not be assigned, pledged or otherwise transferred, whether by operation of law or otherwise, without the prior consent of the Issuer; (b) may be executed in electronically and in counterparts by the parties, which shall be deemed effective as an original and will constitute one and the same instrument; (c) contain the entire agreement of the parties with respect to the transactions contemplated hereby and thereby and supersede all prior written and oral agreements, and all contemporaneous oral agreements, relating to such transactions; (d) are governed by, and will be construed and enforced in accordance with, the laws of the Commonwealth/State of Pennsylvania without giving effect to any conflict of laws rules; and (e) are binding upon, and will inure to the benefit of, the parties and their respective successors and permitted assigns. The waiver by a party of any breach or violation of any provision of this Agreement will not operate or be construed a waiver of any subsequent breach or violation hereof. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

The Debtor has entered into that certain Note Purchase Agreement (the “NPA”) pursuant to which the Debtor, as Issuer, issued certain notes (collectively the “Notes”) to holders (the “Holders”) purchased pursuant to an offering exempt from registration under section 4(a)(6) of the Securities Act of 1933 (the “Title III Offering”), conducted on www.HoneycombCredit.com maintained by Honeycomb Credit, Inc. (the “Portal”); and

B. Pursuant to the terms of the NPA, it is a condition precedent to the Holders’ agreement to purchase the Notes, that the Debtor grant to and create in favor of the Collateral Agent (for the benefit of the Holders) a first priority security interest in the Collateral (defined below) to secure repayment of the obligations owed to the Holders by the Debtor under the Notes.

NOW, THEREFORE, intending to be legally bound by this Agreement, Debtor and Secured Party mutually covenant and agree as follows:

Grant of Security Interest. To secure the payment of all amounts due under the Notes, the Debtor hereby grants to the Collateral Agent a security interest (the “Security Interest”) in the assets listed on Schedule A and any proceeds, substitutions, replacements thereof or additions thereto (the “Collateral”). All capitalized terms in this Agreement, if not otherwise defined, shall have the meaning given to them by the Code.

In addition to all rights and remedies given to the Secured Party pursuant to the NPA and this Security Agreement, the Secured Party shall have all of the rights and remedies of a secured party under the Code (whether or not the Code applies to the Collateral).

- (d) Debtor must keep complete and accurate Books and Records (as used herein, the term “Books and Records” is defined to include all books of original and final entry, including computer programs, software, stored material and data banks associated with or arising out of Debtor’s business or record keeping) and make all necessary entries therein to reflect the quantities, costs, value and location of the Collateral. Debtor agrees to mark its Books and Records in such fashion as to indicate the security interest granted to Secured Party herein. Debtor will permit Secured Party, its officers, employees and agents, to have access to all of Debtor’s Books and Records and any other records pertaining to Debtor’s business which Secured Party may request, and will cause all persons including computer service bureaus,

bookkeeping services, accountants and the like, to make all such Books and Records available to Secured Party, its officers, employees and agents and, if deemed necessary by Secured Party in Secured Party's sole discretion, permit Secured Party, its officers, employees and agents to duplicate, at Debtor's expense, the Books and Records at Debtor's place of business or any other place where they may be found. Secured Party's right to inspect and duplicate Debtor's Books and Records will be enforceable at law by action of replevin or by any other appropriate remedy at law or in equity;

(e) The Collateral is and has been kept at the Debtor's principal place of business (as set forth above), and Debtor's chief executive office is and has been at the location of Debtor's principal place of business;

(f) Debtor must immediately notify Secured Party in writing of any event causing deterioration, loss or depreciation in value of any of the Collateral and the amount of such loss or depreciation. Debtor must permit Secured Party, its officers, employees and agents, access to the Collateral at any time and from time to time, as and when requested by Secured Party, for the purposes of examination, inspection and appraisal thereof and verification of Debtor's Books and Records pertaining thereto, and Debtor will pay the expenses of these inspections and audits on Secured Party's request. Debtor will promptly notify Secured Party in writing if there is any change in the status or physical condition of any Collateral. Debtor agrees not to return any Collateral to the supplier thereof without obtaining Secured Party's prior written consent;

(g) Debtor will not sell, exchange, lease, rent or otherwise dispose of any of the Collateral or of any Debtor's rights therein, other than in the ordinary course of Debtor's business, without the prior written consent of Secured Party;

(h) Debtor will care for and preserve the Collateral in good condition and repair at all times and will pay the cost of repairs to and maintenance and preservation of the Collateral and will not permit anything to be done that may impair the value of any of the Collateral or the security intended to be afforded by this Agreement;

(i) Until the occurrence of an Event of Default (as this term is defined below), Debtor may use the Collateral in any lawful manner not inconsistent with the agreements herein or with the terms and conditions of any policy of insurance thereon;

(j) No Event of Default has occurred and no event has occurred which, with the passage of time or the giving of notice or both, could be an Event of Default hereunder;

(l) Debtor will not use the Collateral in violation of any federal, state or local statute or ordinance;

(m) Debtor will comply with each covenant set forth in the NPA;

(n) Debtor will not hereafter grant a security interest in the Collateral to any person, firm or corporation;

(o) If any of the Collateral or any of Debtor's Books and Records are at any time to be located on premises leased by Debtor or on premises owned by Debtor subject to a mortgage or other lien, Debtor must obtain and deliver or cause to be delivered to Secured Party prior to delivery of any Collateral or Books and Records concerning the Collateral to said premises, an agreement, in form satisfactory to Secured Party, waiving the landlord's, mortgagee's or lienholder's rights to enforce any claim against Debtor for moneys due under the landlord's lien, mortgagee's mortgage or other lien by levy of distraint or other similar proceeding against the Collateral or Debtor's Books and Records and assuring Secured Party's ability to have access to the Collateral and Debtor's Books and Records in order to exercise Secured Party's rights to take possession thereof and to remove them from such premises;

(p) Debtor will keep itself and the Collateral insured against all hazards in such amounts and by such insurers as are satisfactory to Secured Party, with insurance policies which provide for at least thirty (30) days prior written notice to Secured Party of any cancellation or reduction in coverage. Debtor will cause Secured Party's security interest to be endorsed on all policies of insurance in such manner that all payments for losses will be paid to Secured Party as loss-payee and will furnish Secured Party with evidence of such insurance and endorsements. Debtor will keep such insurance in full force and in effect at all times. In the event that Debtor fails to pay any such insurance premiums when due, Secured Party may but is not required to pay such premiums and add the costs thereof to the amounts due Secured Party under the Notes. Debtor hereby assigns to Secured Party any returned or unearned premiums which may be due upon cancellation of any such policies for any reason whatsoever and directs the insurers to pay Secured Party any

amount so due, subject only to the rights of any lender through whom Debtor has financed the payment of such premiums to receive same; and

(q) To further the attachment, perfection and first priority of, and the ability of the Secured Party to enforce, the Secured Party's security interest in the Collateral, and without limitation on the Debtor's other obligations in this Agreement, the Debtor agrees, in each case at the Debtor's expense, to take such actions and execute and deliver such documents or instruments with respect to the Collateral that Secured Party reasonably requests. Debtor further agrees, at the request and option of the Secured Party, to take any and all other actions the Secured Party may determine to be necessary or useful for the attachment, perfection and first priority of, and the ability of the Secured Party to enforce, the Secured Party's security interest in any and all of the Collateral, including, without limitation,

- (i) executing, delivering and, where appropriate, filing financing statements and amendments relating thereto under the Uniform Commercial Code, to the extent, if any, that the Debtor's signature thereon is required therefor,
- (ii) causing the Secured Party's name to be noted as secured party on any certificate of title for a titled good if such notation is a condition to attachment, perfection or priority of, or ability of the Secured Party to enforce, the Secured Party's security interest in such Collateral,
- (iii) complying with any provision of any statute, regulation or treaty of the United States as to any Collateral if compliance with such provision is a condition to attachment, perfection or priority of, or ability of the Secured Party to enforce, the Secured Party's security interest in such Collateral,
- (iv) obtaining governmental and other third party waivers, consents and approvals in form and substance satisfactory to Secured Party, including, without limitation, any consent of any licensor, lessor or other person obligated on Collateral,
- (v) obtaining waivers from mortgagees and landlords in form and substance satisfactory to the Secured Party, and
- (vi) taking all actions under any earlier versions of the Uniform Commercial Code or under any other law, as reasonably determined by the Secured Party to be applicable in any relevant Uniform Commercial Code or other jurisdiction, including any foreign jurisdiction.

Use of Collateral; Casualty. Until the occurrence of an Event of Default, Debtor may sell and use the Collateral in the ordinary course of its business, consistent with past practices, and accept the return of and repossess goods constituting the Collateral. Immediately upon the loss, damage or destruction of any Collateral, Debtor will deliver to Secured Party an amount equal to the greater of Debtor's (a) actual cost or (b) replacement cost of the Collateral so lost, damaged or destroyed, less the amount of any insurance proceeds thereon anticipated to be collected and retained by Secured Party.

Event of Default. The occurrence of any one or more of the following will be an "Event of Default" hereunder:

- (a) The failure of Debtor at any time to observe or perform any of its warranties, representations or agreements contained in this Agreement and such failure is not cured within ten (10) days following notice from the Collateral Agent;
- (b) Debtor's default under the terms of the Notes, the NPA, or any other Loan Document (as defined in the NPA);
- (c) The subjection of the Collateral or any rights therein to or the threat of any judicial process, condemnation or forfeiture proceedings;
- (d) The insolvency of Debtor, the commencement of a voluntary or involuntary case in bankruptcy against Debtor, the consenting of Debtor to the appointment of a receiver or trustee of any of its property or any part thereof, or the entry of any order of relief against Debtor in any case.

Secured Party's Rights and Remedies. Upon or after the occurrence of any Event of Default, Secured Party may do any or all of the following, all of which rights and remedies shall be cumulative and any and all of which may be exercised from time to time and as often as Secured Party shall deem necessary or desirable:

- (a) Exercise any and all rights, privileges and remedies available to Secured Party under this Agreement, the NPA, the Notes, and under the UCC, or any other applicable law, including without limitation the right to require the Debtor to assemble the Collateral and make it available to Secured Party at a designated place reasonably convenient for disposition;

- (b) If applicable, notify Debtor's lessees, renters and account Debtors to make all payments directly to Secured Party and to surrender, at the termination of any lease of any Collateral, the item or items of Collateral so leased or to pay the sale option price, if any, directly to Secured Party;
- (c) Cure any default in any reasonable manner and add the cost of any such cure to the amount due under the Notes and NPA;
- (d) Retain all of Debtor's Books and Records;
- (e) Upon thirty (30) days prior written notice to Debtor, which notice Debtor acknowledges is sufficient, proper and commercially reasonable, Secured Party may sell, lease or otherwise dispose of the Collateral, at any time and from time to time, in whole or in part, at public or private sale, without advertisement or notice of sale, all of which are hereby waived, and apply the proceeds of any such sale:
 - (i) first, to the expenses of Secured Party in preparing the Collateral for sale, selling and the like, including without limitation reasonable attorneys' fees and expenses incurred by Secured Party (including fees and expenses of any litigation incident to any of the foregoing);
 - (ii) second, to the payment in full of all sums owing to Holders under the Notes consistent with the terms of the NPA and the satisfaction of all of the Debtor's and Debtor's obligations under the Notes and NPA; and
 - (iii) any excess shall be paid to Debtor.

The waiver of any Event of Default, or Secured Party's failure to exercise any right or remedy hereunder, shall not be deemed a waiver of any subsequent Event of Default or of the right to exercise that or any other right or remedy available to Secured Party.

Expenses of Enforcement. The Debtor will pay all reasonable expenses of the Collateral Agent, including attorneys' fees, incurred by the Collateral Agent in enforcing its rights and remedies hereunder. If the Collateral Agent brings suit (or files any claim in any bankruptcy, reorganization, insolvency or other proceeding) to enforce any such rights or remedies and shall be entitled to judgment (or other recovery) in such action (or other proceeding) then the Collateral Agent may recover, in addition to all other amounts payable hereunder, its reasonable expenses in connection therewith, including attorneys' fees, and the amount of such expenses shall be included in such judgment (or other form of award).

Termination of Security Interest. When and only when all amounts due under the Notes, the Note Indenture, and this Agreement shall have been paid in full, then the Security Interest granted to the Collateral Agent pursuant to this Agreement shall terminate and, at the request and expense of the Debtor, the Collateral Agent will execute and deliver to the Debtor such written evidence thereof, including termination statements, and take such other action as the Debtor may reasonably request.

Miscellaneous_ (a) Amendments; Waivers. No amendment, modification, or waiver of any provision of this Agreement shall be binding unless in writing and signed by the party against whom the operation of such amendment, modification, or waiver is sought to be enforced. No delay in the exercise of any right shall be deemed a waiver thereof, nor shall the waiver of a right or remedy in a particular instance constitute a waiver of such right or remedy generally.

(b) Notices. Any notice or document required or permitted to be given under this Agreement may be given by a party or by its legal counsel and shall be deemed to be given (i) one day after the date such notice is deposited with a commercial overnight delivery service with delivery fees paid, or (ii) on the date transmitted by email with written acknowledgment of receipt (including by email), to the following addresses or such other address or addresses as the parties may designate from time to time by notice satisfactory under this section:
