Hi Terri!

It's been a while. I can hard hardly believe it's been 5 years since our Canon/Stroock days.

Not sure if you recall, but I left Canon to start a company called **Nicolette** that helps NICU parents be more active caregivers for their baby. We [launched for the first time at CHOC Children's Hospital](#) a few months ago and the results have been very strong. We're now doing a **crowdfunding campaign** to fuel growth and expand the product.

Would you be up for participating? It's a \$100 minimum.

Here is the link to the offering: wefunder.com/nicolette

Please feel free to share as well! Thanks a ton.
