Neither the Company, nor any of its Subsidiaries, nor any director, officer, agent, employee or other person acting on behalf of the Company or any Subsidiary has, in the course of his actions for, or on behalf of, the Company, used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended, or made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government official or employee.

x. Solvency. The Company (after giving effect to the transactions contemplated by this Agreement) is solvent (i.e., its assets have a fair market value in excess of the amount required to pay its probable liabilities on its existing debts as they become absolute and matured) and currently the Company has no information that would lead it to reasonably conclude that the Company would not, after giving effect to the transaction contemplated by this Agreement, have the ability to, nor does it intend to take any action that would impair its ability to, pay its debts from time to time incurred in connection therewith as such debts mature. The Company did not receive a qualified opinion from its auditors with respect to its most recent fiscal year end and, after giving effect to the transactions contemplated by this Agreement, does not anticipate or know of any basis upon which its auditors might issue a qualified opinion in respect of its current fiscal year.

y. **No Investment Company.** The Company is not, and upon the issuance and sale of the Securities as contemplated by this Agreement will not be an “investment company” required to be registered under the Investment Company Act of 1940 (an “Investment Company”). The Company is not controlled by an Investment Company.

z. **Breach of Representations and Warranties by the Company.** If the Company breaches any of the representations or warranties set forth in this Section 3, and in addition to any other remedies available to the Investor pursuant to this Agreement, it will be considered an event of Default under Section 3.4 of the Note.

4. **COVENANTS.**

a. **Best Efforts.** The parties shall use their best efforts to satisfy timely each of the conditions described in Section 6 and 7 of this Agreement.

b. **Use of Proceeds.** The Company shall use the net proceeds from the sale of the Note for general working capital purposes.

c. **Form D; Blue Sky Laws.** The Company agrees to file a Form D with respect to the Securities as required under Regulation D and to provide a copy thereof to the Investor promptly after such filing. The Company shall, on or before the Closing Date, take such action as the Company shall reasonably determine is necessary to qualify the Securities for sale to the Investor at the applicable closing pursuant to this Agreement under applicable securities or “blue sky” laws of the states of the United States (or to obtain an exemption from such qualification), and shall provide evidence of any such action so taken to the Investor on or prior to the Closing Date.

d. **Expenses.** At the Closing, the Company shall reimburse the Investor for expenses incurred by them in connection with the negotiation, preparation, execution, delivery and performance of this Agreement and the other agreements to be executed in connection herewith (“Documents”), including, without limitation, attorneys’ and consultants’ fees and expenses, transfer agent fees, fees for stock quotation services, fees relating to any amendments or modifications of the Documents or any consents or waivers of provisions in the Documents, fees for the preparation of opinions of counsel, escrow fees, and costs of restructuring the transactions contemplated by the Documents. When possible, the Company must pay these fees directly, otherwise the Company must make immediate payment for reimbursement to the Investor for all fees and expenses immediately upon written notice by the Investor or the submission of an invoice by the Investor. The Company’s obligation with respect to this transaction is to reimburse Investor’s expense, which shall be \$750.00.

e. **Authorization and Reservation of Shares. Authorization and Reservation of Shares.** The Company shall at all times have authorized, and reserved for the purpose of issuance, a sufficient number of shares of Common Stock to provide for the full conversion of the outstanding Note and issuance of the Conversion Shares in connection therewith (based on the Conversion Price of the Note in effect from time to time) and as otherwise required by the Note. The Company shall not reduce the number of shares of Common Stock reserved for issuance upon conversion of the Note without the consent of the

Investor. The Company shall at all times maintain the number of shares of Common Stock so reserved for issuance at an amount of _____ shares (“**Reserved Amount**”) which is equal to no less than two (2) times the number that is then actually issuable upon full conversion of the Note and Additional Note(s) (based on the Conversion Price of the Note). If at any time the number of shares of Common Stock authorized and reserved for issuance (“**Authorized and Reserved Shares**”) is below the Reserved Amount, the Company will promptly take all corporate action necessary to authorize and reserve a sufficient number of shares, including, without limitation, calling a special meeting of shareholders to authorize additional shares to meet the Company’s obligations herein, in the case of an insufficient number of authorized shares, obtain shareholder approval of an increase in such authorized number of shares, and voting the management shares of the Company in favor of an increase in the authorized shares of the Company to ensure that the number of authorized shares is sufficient to meet the Reserved Amount.

f. **Listing.** The Company shall promptly secure the listing or quotation, as the case may be, of the Conversion Shares upon each national securities exchange or automated quotation system, if any, upon which shares of Common Stock are then listed or quoted, as the case may be, (subject to official notice of issuance) and, so long as the Investor owns any of the Securities, shall maintain, so long as any other shares of Common Stock shall be so listed or quoted, as the case may be, such listing or quotation, as the case may be, of all Conversion Shares from time to time issuable upon conversion of the Notes. The Company will obtain and, so long as the Investor owns any of the Securities, maintain the listing or quotation, as the case may be, and trading of its Common Stock on the OTCQB or any equivalent replacement exchange, the Nasdaq National Market (“**Nasdaq**”), the Nasdaq SmallCap Market (“**Nasdaq SmallCap**”), the New York Stock Exchange (“**NYSE**”), or the American Stock Exchange (“**AMEX**”) and will comply in all respects with the Company’s reporting, filing and other obligations under the bylaws or rules of the Financial Industry Regulatory Authority (“**FINRA**”) and such exchanges, as applicable. The Company shall promptly provide to the Investor copies of any notices it receives from the OTCQB and any other exchanges or quotation systems on which the Common Stock is then listed or quoted, as the case may be, regarding the continued eligibility of the Common Stock for listing or quotation, as the case may be, on such exchanges and quotation systems.

g. **Corporate Existence.** So long as a Investor beneficially owns the Note, the Company shall maintain its corporate existence and shall not sell all or substantially all of the Company’s assets, except in the event of a merger or consolidation or sale of all or substantially all of the Company’s assets, where the surviving or successor entity in such transaction (i) assumes the Company’s obligations hereunder and under the agreements and instruments entered into in connection herewith and (ii) is a publicly traded corporation whose Common Stock is listed for trading on the OTCQB, Nasdaq, Nasdaq SmallCap, NYSE or AMEX.

h. **No Integration.** The Company shall not make any offers or sales of any security (other than the Securities) under circumstances that would require registration of the Securities being offered or sold hereunder under the 1933 Act or cause the offering of the Securities to be integrated with any other offering of securities by the Company for the purpose of any stockholder approval provision applicable to the Company or its securities.

i. Failure to Comply with the 1934 Act. So long as the Investor beneficially owns any of the Notes, the Company shall comply with the reporting requirements of the 1934 Act; and the Company shall continue to be subject to the reporting requirements of the 1934 Act.

j. Breach of Covenants. If the Company breaches any of the covenants set forth in this Section 4, and in addition to any other remedies available to the Investor pursuant to this Agreement, it will be considered an Event of Default pursuant to Section 3.4 of the Note.

5. TRANSFER AGENT INSTRUCTIONS. The Company shall issue irrevocable instructions to its transfer agent to issue certificates, registered in the name of the Investor or its nominee, for the Conversion Shares in such amounts as specified from time to time by the Investor to the Company upon conversion of the Note, in accordance with the terms thereof (the “**Irrevocable Transfer Agent Instructions**”). In the event that the Company proposes to replace its transfer agent, the Company shall provide, prior to the effective date of such replacement, a fully executed Irrevocable Transfer Agent Instruction in a form as initially delivered pursuant to this Agreement signed by the successor transfer agent to the Investor. Prior to registration of the Conversion Shares under the 1933 Act or the date on which the Conversion Shares may be sold pursuant to Rule 144 without any restriction as to the number of Securities as of a particular date that can then be immediately sold, all such certificates shall bear the restrictive legend specified in Section 2(g) of this Agreement. The Company warrants that (i) no instruction other than the Irrevocable Transfer Agent Instructions referred to in this Section 5, and stop transfer instructions to give effect to Section 2(f) hereof (in the case of the Conversion Shares, prior to registration of the Conversion Shares under the 1933 Act or the date on which the Conversion Shares may be sold pursuant to Rule 144 without any restriction as to the number of Securities as of a particular date that can then be immediately sold), will be given by the Company to its transfer agent and that the Securities shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement and the Note; (ii) it will not direct its transfer agent not to transfer or delay, impair, and/or hinder its transfer agent in transferring (or issuing)(electronically or in certificated form) any certificate for Conversion Shares to be issued to the Investor upon conversion of or otherwise pursuant to the Securities as and when required by the Securities or this Agreement; and (iii) it will not fail to remove (or direct its transfer agent not to remove or impair, delay, and/or hinder its transfer agent from removing) any restrictive legend (or to withdraw any stop transfer instructions in respect thereof). Nothing in this Section shall affect in any way the Investor’s obligations and agreement set forth in Section 2(g) hereof to comply with all applicable prospectus delivery requirements, if any, upon re-sale of the Securities. If a Investor provides the Company with (i) an opinion of counsel in form, substance and scope customary for opinions in comparable transactions, to the effect that a public sale or transfer of such Securities may be made without registration under the 1933 Act and such sale or transfer is effected or (ii) the Investor provides reasonable assurances that the Securities can be sold pursuant to Rule 144, the Company shall permit the transfer, and, in the case of the Conversion Shares , promptly instruct its transfer agent to issue one or more certificates, free from restrictive legend, in such name and in such denominations as specified by the Investor. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Investor, by vitiating the intent and purpose of the transactions contemplated hereby. Accordingly, the Company acknowledges that

the remedy at law for a breach of its obligations under this Section 5 may be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Section, that the Investor shall be entitled, in addition to all other available remedies, to an injunction restraining any breach and requiring immediate transfer, without the necessity of showing economic loss and without any bond or other security being required.

6. CONDITIONS TO THE COMPANY'S OBLIGATION TO SELL.

The obligation of the Company hereunder to issue and sell the Securities to a Investor at the Closing is subject to the satisfaction, at or before the Closing Date of each of the following conditions thereto, provided that these conditions are for the Company's sole benefit and may be waived by the Company at any time in its sole discretion:

a. The Investor shall have executed this Agreement and delivered the same to the Company.

b. The Investor shall have delivered the Purchase Price in accordance with Section 1(b) above.

c. The representations and warranties of the Investor shall be true and correct in all material respects as of the date when made and as of the Closing Date as though made at that time (except for representations and warranties that speak as of a specific date), and the Investor shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Investor at or prior to the Closing Date.

d. No litigation, statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by or in any court or governmental authority of competent jurisdiction or any self-regulatory organization having authority over the matters contemplated hereby which prohibits the consummation of any of the transactions contemplated by this Agreement.

7. CONDITIONS TO THE INVESTOR'S OBLIGATION TO PURCHASE. The obligation of the Investor hereunder to purchase the Notes at the Closing is subject to the satisfaction, at or before the Closing Date of each of the following conditions, provided that these conditions are for the Investor's sole benefit and may be waived by the Investor at any time in its sole discretion:

a. The Company shall have executed this Agreement and delivered the same to the Investor.

b. The Company shall have delivered to the Investor a duly executed Note, in accordance with Section 1(b) above.

c. The Irrevocable Transfer Agent Instructions, in form and substance satisfactory to the Investor, shall have been delivered to and acknowledged in writing by the Company's Transfer Agent.

d. The representations and warranties of the Company shall be true and correct in all material respects as of the date when made and as of the Closing Date as though made at such time (except for representations and warranties that speak as of a specific date) and the Company shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Company at or prior to the Closing Date. The Investor shall have received a certificate or certificates, executed by the chief executive officer of the Company, dated as of the Closing Date, to the foregoing effect and as to such other matters as may be reasonably requested by the Investor including, but not limited to certificates with respect to the Company's Certificate of Incorporation, By-laws and Board of Directors' resolutions relating to the transactions contemplated hereby.

e. No litigation, statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by or in any court or governmental authority of competent jurisdiction or any self-regulatory organization having authority over the matters contemplated hereby which prohibits the consummation of any of the transactions contemplated by this Agreement.

f. No event shall have occurred which could reasonably be expected to have a Material Adverse Effect on the Company; including, without limitation, a change in the 1934 Act reporting status of the Company or the failure of the Company to be timely in its 1934 Act reporting obligations.

g. The Conversion Shares shall have been authorized for quotation on the OTCQB and trading in the Common Stock on the OTCQB shall not have been suspended by the SEC or the OTCQB.

h. The Investor shall have received an officer's certificate described in Section 3(c) above, dated as of the Closing Date.

THIS LEGEND SHALL BE ENDORSED UPON ANY CONVERTIBLE PROMISSORY NOTE ISSUED IN EXCHANGE FOR THIS CONVERTIBLE PROMISSORY NOTE.

FERNHILL CORP.,

ISSUE DATE: May 29, 2018

\$6,490.00

CONVERTIBLE PROMISSORY NOTE

Due: 1 year from Issuance date

FERNHILL CORP., a Nevada corporation (the "Company"), for value received, hereby promises to pay to **CEDAT CAPITAL** (the "Holder") on the 29th of May, 2018 (the "Maturity Date"), the principal sum of **SIX THOUSAND FOUR HUNDRED AND NINETY DOLLARS (\$6,490.00)** in such coin or currency of the United States of America and to pay simple interest on said principal sum at the rate of 10.0% per annum from the date hereof through the Maturity Date. Any accrued and unpaid interest shall be paid on the Maturity Date.

1. **Registered Owner.** The Company may consider and treat the person in whose name this Note shall be registered as the absolute owner thereof for all purposes whatsoever (whether or not this Note shall be overdue) and the Company shall not be affected by any notice to the contrary. Subject to the provisions hereof, the registered owner of this Note shall have the right to transfer it by assignment and the transferee thereof, upon his registration as owner of this Note, shall become vested with all the powers and rights of the transferor. Registration of any new owner shall take place upon presentation of this Note to the Company at its offices together with the Note Assignment Form attached hereto duly executed. In case of transfers by operation of law, the transferee shall notify the Company of such transfer and of his address, and shall submit appropriate evidence regarding the transfer so that this Note may be registered in the name of the transferee. This Note is transferable only on the books of the Company by the Holder on the surrender hereof, duly endorsed. Communications sent to any registered owner shall be effective as against all holders or transferees of this Note not registered at the time of sending the

communication. In the event of the assignment of a portion of the principal amount of this Note, the transferee thereof shall not have the right to elect an Optional Conversion (as hereinafter defined) unless the entire remaining principal portion of this Note is converted simultaneously therewith.

2. Conversion.

2.1 Conversion Right. The Holder shall have the right from time to time, and at any time during the period commencing 180 days from the Issue Date (“Issue Date” is defined as May 25th, 2018) and ending the later of (i) the Maturity Date and (ii) the date of payment of the remaining outstanding principal amount, plus any accrued and unpaid interest of this Note to convert all or any part of the outstanding and unpaid principal amount of this Note into fully paid and non-assessable shares of Common Stock, as such Common Stock exists on the Issue Date, or any shares of capital stock or other securities of the Borrower into which such Common Stock shall hereafter be changed or reclassified at the conversion price (the “**Conversion Price**”) determined as provided herein (a “**Conversion**”); provided, however, under no circumstances shall the Holder be entitled to convert any portion of this Note in excess of that portion of this Note upon conversion of which the sum of (1) the number of shares of Common Stock beneficially owned by the Holder and its affiliates (other than shares of Common Stock which may be deemed beneficially owned through the ownership of the unconverted portion of the Notes or the unexercised or unconverted portion of any other security of the Borrower subject to a limitation on conversion or exercise analogous to the limitations contained herein) and (2) the number of shares of Common Stock issuable upon the conversion of the portion of this Note with respect to which the determination of this proviso is being made, would result in beneficial ownership by the Holder and its affiliates of more than 9.99% of the outstanding shares of Common Stock. For purposes of the proviso to the immediately preceding sentence, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and Regulations 13D-G thereunder, except as otherwise provided in clause (1) of such provision; provided further, however, that the limitations on conversion may be waived by the Holder upon, at the election of the Holder, with not less than 61 days’ prior notice to the Borrower, and the provisions of the conversion limitation shall continue to apply until such 61st day (or such later date, as determined by the Holder, as may be specified in such notice of waiver). The number of shares of Common Stock to be issued upon each conversion of this Note shall be determined by dividing the Conversion Amount (as defined below) by the applicable Conversion Price then in effect on the date specified in the notice of conversion, in the form attached hereto as Exhibit A (the “**Notice of Conversion**”), delivered to the Borrower by the Holder in accordance with Section 1.4 below; provided that the Notice of Conversion is submitted by facsimile or e-mail (or by other means resulting in, or reasonably expected to result in, notice) to the Borrower before 5:00 p.m. Pacific Standard Time on such conversion date (the “**Conversion Date**”). The term “**Conversion Amount**” means, with respect to any conversion of this Note, the sum of (1) the principal amount of this Note to be converted in such conversion plus (2) at the Borrower’s option, accrued and unpaid interest, if any, on such principal amount at the interest rates provided in this Note to the Conversion Date.

2.2 Conversion Price.

1. Calculation of Conversion Price. The Conversion Price (the “**Conversion Price**”) shall equal the Variable Conversion Price (as defined herein) (subject to equitable adjustments for stock splits, stock dividends or rights offerings by the Borrower relating to the Borrower’s securities or the securities of any subsidiary of the Borrower, combinations, recapitalization, reclassifications, extraordinary distributions and similar events). The “**Variable Conversion Price**” shall mean 35% multiplied by the Market Price (as defined herein) (representing a discount rate of 65%). “**Market Price**” means the average of the lowest three (3) Closing Bids (as defined below) for the Common Stock during the ten (10) Trading Day period ending one Trading Day prior to the date the Conversion Notice is sent by the Holder to the Borrower via facsimile (the “**Conversion Date**”). “**Trading Price**” means, for any security as of any date, the closing bid price on the Over-the-Counter Bulletin Board (the “**OTCBB**”) as reported by a reliable reporting service (“**Reporting Service**”) mutually acceptable to Borrower and Holder and hereafter designated by Holders of a majority in interest of the Notes and the Borrower or, if the OTCBB is not the principal trading market for such security, the intraday trading price of such security on the principal securities exchange or trading market where such security is listed or traded or, if no intraday trading price of such security is available in any of the foregoing manners, the average of the intraday trading prices of any market makers for such security that are listed in the “pink sheets” by the National Quotation Bureau, Inc. If the Trading Price cannot be calculated for such security on such date in the manner provided above, the Trading Price shall be the fair market value as mutually determined by the Borrower and the holders of a majority in interest of the Notes being converted for which the calculation of the Trading Price is required in order to determine the Conversion Price of such Notes. “**Trading Day**” shall mean any day on which the Common Stock is traded for any period on the OTCBB, or on the principal securities exchange or other securities market on which the Common Stock is then being traded.

2.3 Anti-Dilution Provisions.

2.3.1 **Adjustments for Stock Dividends; Combinations, Etc.** (a) In the event that the Company, at any time or from time to time hereafter, shall (i) declare any dividend or other distribution on its Common Stock payable in Common Stock of the Company or in securities convertible into or exchangeable for Common Stock, including without limitation rights; (ii) effect a subdivision of its outstanding Common Stock into a greater number of shares of Common Stock by reclassification, stock split or otherwise than by payment of a dividend in shares of Common Stock; (iii) effect a combination or consolidation of its outstanding Common Stock into a lesser number of shares of Common Stock by reclassification, reverse split or otherwise; (iv) issue by reclassification, exchange or substitution of its Common Stock any shares of capital stock of the Company; or (v) effect any other transaction having similar effect, then the Holder may convert into the exchangeable securities. The purpose of the adjustment shall be that, in the event of a conversion at any time after the occurrence of any event described in (i) through (v) above, the Holder shall be entitled to receive the shares of Conversion Stock (or other securities) to which such Holder would have been finally entitled, after giving effect to the occurrence of such event, as if such Holder had converted this Note immediately prior to the occurrence of such event. An adjustment made pursuant to this Section 2.3.1 shall become effective immediately after the record date in the case of a dividend or other distribution and shall become effective immediately upon the effective date in the case of a subdivision, combination, reclassification, exchange or substitution. The Corporation shall take no

such action with respect to the Common Stock unless the Corporation shall simultaneously reserve out of the authorized, unissued and unreserved shares of common stock a sufficient number of shares of Common Stock to be available for full conversion of the Notes at the new Conversion Price.

2.4 **Reservation of Shares.** The Company will at all times reserve and keep available out of its authorized and unissued Common Stock, solely for issuance and delivery upon conversion of this Note, free of preemptive or rights of purchase, the number of shares of Conversion Stock issuable upon conversion of this Note at the minimum Conversion Price. The Company covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly and validly authorized, issued and fully paid and nonassessable. The initial reserve of shares is _____ which may be increased automatically in the event the initial reserve is exhausted.

2.5 **Fractional Shares.** The Company shall not be required to issue certificates representing fractions of shares, nor shall it be required to issue scrip or pay cash in lieu of fractional interests, it being the intent of the Company and the Holder that all fractional interests shall be eliminated and that all issuances of Common Stock be rounded up to the nearest whole share.

2.6 **Rights of the Holder.** The Holder shall not, by virtue hereof, be entitled to any rights of a shareholder of the Company, either at law or in equity, and the rights of the Holder are limited to those expressed in this Note.

2.7 **Certificate.** When the Conversion Price is adjusted pursuant to the provisions hereof, the Company shall file with its official corporate records a certificate of its chief financial or accounting officer setting forth in detail the facts requiring such adjustment, the computation thereof and the adjusted Conversion Price, and shall mail a copy of the certificate to the Holder.

2.8 **Failure to Deliver Common Stock Prior to Deadline.** Without in any way limiting the Holder's right to pursue other remedies, including actual damages and/or equitable relief, the parties agree that if delivery of the Common Stock issuable upon conversion of this Note is not delivered by three days from the date of the Notice of Conversion (the "Deadline"), the Borrower shall pay to the Holder \$100.00 USD per day in cash, for each day beyond the Deadline that the Borrower fails to deliver such Common Stock through willful or deliberate acts on the part of the Borrower. Such cash amount shall be paid to Holder by the fifth day of the month following the month in which it has accrued or, at the option of the Holder (by written notice to the Borrower by the first day of the month following the month in which it has accrued), shall be added to the principal amount of this Note, in which event interest shall accrue thereon in accordance with the terms of this Note and such additional principal amount shall be convertible into Common Stock in accordance with the terms of this Note. The Borrower agrees

that the right to convert is a valuable right to the Holder. The damages resulting from a failure, attempt to frustrate, interference with such conversion right are difficult if not impossible to qualify. Accordingly the parties acknowledge that the liquidated damages provision contained in this Section 1.4(g) are justified.

3. **Redemption** The Borrower shall have no right of prepayment.

4. **Defaults**. If any of the following events of default (each, an “Event of Default”) shall occur:

4.1 **Failure to Pay Principal or Interest**. The Borrower fails to pay the principal hereof or interest thereon when due on this Note, whether at maturity, upon acceleration or otherwise.

4.2 **Conversion and the Shares**. The Borrower fails to issue shares of Common Stock to the Holder (or announces or threatens in writing that it will not honor its obligation to do so) upon exercise by the Holder of the conversion rights of the Holder in accordance with the terms of this Note, fails to transfer or cause its transfer agent to transfer (issue) (electronically or in certificated form) any certificate for shares of Common Stock issued to the Holder upon conversion of or otherwise pursuant to this Note as and when required by this Note, the Borrower directs its transfer agent not to transfer or delays, impairs, and/or hinders its transfer agent in transferring (or issuing) (electronically or in certificated form) any certificate for shares of Common Stock to be issued to the Holder upon conversion of or otherwise pursuant to this Note as and when required by this Note, or fails to remove (or directs its transfer agent not to remove or impairs, delays, and/or hinders its transfer agent from removing) any restrictive legend (or to withdraw any stop transfer instructions in respect thereof) on any certificate for any shares of Common Stock issued to the Holder upon conversion of or otherwise pursuant to this Note as and when required by this Note (or makes any written announcement, statement or threat that it does not intend to honor the obligations described in this paragraph) and any such failure shall continue uncured (or any written announcement, statement or threat not to honor its obligations shall not be rescinded in writing) for three (3) business days after the Holder shall have delivered a Notice of Conversion. It is an obligation of the Borrower to remain current in its obligations to its transfer agent. It shall be an event of default of this Note, if a conversion of this Note is delayed, hindered or frustrated due to a balance owed by the Borrower to its transfer agent. If at the option of the Holder, the Holder advances any funds to the Borrower’s transfer agent in order to process a conversion, such advanced funds shall be paid by the Borrower to the Holder within forty eight (48) hours of a demand from the Holder.

4.3 **Breach of Covenants**. The Borrower breaches any material covenant or other material term or condition contained in this Note and any collateral documents including but not limited to the Purchase Agreement and such breach continues for a period of ten (10) days after written notice thereof to the Borrower from the Holder.

4.4 **Breach of Representations and Warranties**. Any representation or warranty of the Borrower made herein or in any agreement, statement or certificate given in writing pursuant

hereto or in connection herewith (including, without limitation, the Purchase Agreement), shall be false or misleading in any material respect when made and the breach of which has (or with the passage of time will have) a material adverse effect on the rights of the Holder with respect to this Note or the Purchase Agreement.

4.5 Receiver or Trustee. The Borrower or any subsidiary of the Borrower shall make an assignment for the benefit of creditors, or apply for or consent to the appointment of a receiver or trustee for it or for a substantial part of its property or business, or such a receiver or trustee shall otherwise be appointed.

4.6 Judgments. Any money judgment, writ or similar process shall be entered or filed against the Borrower or any subsidiary of the Borrower or any of its property or other assets for more than \$50,000, and shall remain unvacated, unbonded or unstayed for a period of twenty (20) days unless otherwise consented to by the Holder, which consent will not be unreasonably withheld.

4.7 Bankruptcy. Bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings, voluntary or involuntary, for relief under any bankruptcy law or any law for the relief of debtors shall be instituted by or against the Borrower or any subsidiary of the Borrower.

4.8 Delisting of Common Stock. The Borrower shall fail to maintain the listing of the Common Stock on at least one of the OTCQB or an equivalent replacement exchange, the Nasdaq National Market, the Nasdaq SmallCap Market, the New York Stock Exchange, or the American Stock Exchange.

4.9 Failure to Comply with the Exchange Act (or other Applicable Reporting Standards). The Borrower shall fail to comply with the reporting requirements of the OTC Markets Alternative Reporting Standards and Guidelines; and/or the Borrower shall cease to be subject to the reporting requirements of the OTC Markets or shall have any event occur which OTC Markets would issue a caveat emptor warning regarding the Borrower.

4.10 Liquidation. Any dissolution, liquidation, or winding up of Borrower or any substantial portion of its business.

4.11 Cessation of Operations. Any cessation of operations by Borrower or Borrower admits it is otherwise generally unable to pay its debts as such debts become due, provided, however, that any disclosure of the Borrower's ability to continue as a "going concern" shall not be an admission that the Borrower cannot pay its debts as they become due.

4.12 Maintenance of Assets. The failure by Borrower to maintain any material intellectual property rights, personal, real property or other assets which are necessary to conduct its business (whether now or in the future).

4.13 Financial Statement Restatement. The restatement of any financial statements filed by the Borrower with the SEC for any date or period from two years prior to the Issue Date of this Note and until this Note is no longer outstanding, if the result of such restatement would,

by comparison to the unrestated financial statement, have constituted a material adverse effect on the rights of the Holder with respect to this Note or the Purchase Agreement.

4.14 Reverse Splits. The Borrower effectuates a reverse split of its Common Stock without twenty (20) days prior written notice to the Holder.

4.15 Replacement of Transfer Agent. In the event that the Borrower proposes to replace its transfer agent, the Borrower fails to provide, prior to the effective date of such replacement, a fully executed Irrevocable Transfer Agent Instructions in a form as initially delivered pursuant to the Purchase Agreement (including but not limited to the provision to irrevocably reserve shares of Common Stock in the Reserved Amount) signed by the successor transfer agent to Borrower and the Borrower.

4.16 Cross-Default. Notwithstanding anything to the contrary contained in this Note or the other related or companion documents, a breach or default by the Borrower of any covenant or other term or condition contained in any of the Other Agreements, after the passage of all applicable notice and cure or grace periods, shall, at the option of the Holder, be considered a default under this Note and the Other Agreements, in which event the Holder shall be entitled (but in no event required) to apply all rights and remedies of the Holder under the terms of this Note and the Other Agreements by reason of a default under said Other Agreement or hereunder. "Other Agreements" means, collectively, all agreements and instruments between, among or by: (1) the Borrower, and, or for the benefit of, (2) the Holder and any affiliate of the Holder, including, without limitation, promissory notes; provided, however, the term "Other Agreements" shall not include the related or companion documents to this Note. Each of the loan transactions will be cross-defaulted with each other loan transaction and with all other existing and future debt of Borrower to the Holder

4.17 Default Payment. Upon the occurrence and during the continuation of any Event of Default specified in this Section 4, the Note shall become immediately due and payable and the Borrower shall pay to the Holder, in full satisfaction of its obligations hereunder, an amount equal to (a) the then outstanding principal amount of this Note plus (b) accrued and unpaid interest on the unpaid principal amount of this Note to the date of payment plus (c) Default Interest, if any, on the amounts referred to in clauses (d) and/or (e), multiplied by 150%

5. Investment Intent. The Holder, by its acceptance hereof, hereby represents and warrants that this Note is being acquired, and the Conversion Stock issuable upon the conversion of this Note will be acquired, for investment purposes only and without a view to the distribution thereof, and may be transferred only in compliance with the Act. Unless, prior to the conversion of this Note, the issuance of the Conversion Stock has been registered with the Securities and Exchange Commission pursuant to the Act, the Note Conversion Form shall be accompanied by a representation of the Holder to the Company to the effect that such securities are being acquired for investment and not with a view to the distribution thereof, and such other representations and documentation as may be reasonably required by the Company, unless in the opinion of counsel to the Company such representations or other documentation are not necessary to comply with the Act.
