(D) The Company's Business and Business Plan

Location

The anticipated location of the restaurant is in the heart of Belleville's Main Street. This location lies in an area that is frequented by many professionals, socially active community members and individuals who are of leisure or retired. It is also in an area that hosts many annual Belleville city wide events that garner the attention of people from miles around, including but not limited to Oktoberfest, Chili Cookoff, Art on the Square, Craft Beer Walk, as well as weekly Farmer's Markets that draw the community to the Main Street area.

What people are saying:

"I went to 9 Mile Garden with my friend tonight. Decided to try the Seafood Muffalada since it's Lent. The owners's sister was very sweet and knowledgeable about menu. The owner is very nice because my friend has a Gluten Allergy so she spoke to her to make accommodations. Thank you all for a great meal!" -Maura Maltagliati

"This was our first time visiting and we loved everything we tried! I had the black bean chimichanga, which was so crispy and delicious. My stepdaughter loved the loaded mac 'n cheese. We also shared a half order of griddle cakes that I wish we had more of and the jalapeno rosemary potatoes that were fried perfectly." - Kerry Weible

"Wowwww! I had the black bean egg and avocado breakfast taco and the chorizo egg and cheese breakfast taco. The flavor!!! These were some of the best breakfast tacos I have ever had. Would highly recommend!" - Sara Teepe

"Wow!, This isn't my first time eating at Clara B's, and this is no exception. Clara B's is just off the charts. It's an exceptionally quality food with a more incredible twist on home cooking. Chile andouille with shrimp on a beignet, who'd guess it was perfection! There's a lot more than just that! Give your taste buds a flogging! Super good!" - Melissa Collins

Target Market

Clara B's Kitchen Table is the solution to the area's need for elevated food and service for breakfast and lunch. The target market is professional millennials and Generation Xer's who value their time to the degree that dining out is a necessary convenience.

- There is a resurgence of individuals and companies taking an interest in improving the viability of Belleville's historic downtown through structural improvements including commercial and residential real estate and beautification efforts of local parks.
- Because of lack of options at this moment for eateries, it is obvious that the community is venturing miles away from home to seek out breakfast options, taking with them potential spending dollars in the City of Belleville.

Our Mission

At Clara B's Kitchen Table, we aspire to provide true hospitality and a nurturing environment to our community through an eclectic and Texas Southern-inspired cuisine that utilizes the best ingredients sourced locally. Our focus is to provide the community with an establishment that brings pride by way of uncompromising standards of ethics, social and environmental responsibility.

- Clara B's Kitchen Table is a contemporary homage to a time when scratch cooking and baking was all there was.
- This modernized casual dining concept features a food truck with Texas brunch favorites and a limited catering menu that isn't available anywhere in the local area.
- This is true Southern hospitality; an eclectic mix of my grandmother's roots in Louisiana and her eventual move to Texas. A mix of the best that BBQ, Tex Mex and a little Creole has to offer for all the easy Sunday mornings one could hope for.

- If the Company reaches the Target Offering Amount before the Offering Deadline, it may close the offering early if it provides notice about the new Offering Deadline at least five

If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	1.6 - 16.0% ²
Payment Deadline	2028-07-01
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.7 x 1.6 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	1%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 1.6% and a maximum rate of 16.0% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$25,000	1.6%
\$81,250	5.2%
\$137,500	8.8%
\$193,750	12.4%
\$250,000	16.0%

³ To reward early participation, the investors who contribute the first \$20,000.0 raised in the offering will receive a 1.7x cap. Investors who contribute after \$20,000.0 has been raised in the offering will receive a 1.6x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	N/a
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Jodie Ferguson	96%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

MainVest will be paid 6.0% of the final offering amount, upon the successful completion of the offering. MainVest does not receive compensation if the offering does not succeed. MainVest, Inc. owns no interest in the Company, directly or indirectly, and will not acquire an interest as part of the Offering, nor is there any arrangement for MainVest to acquire an interest.

(P) Indebtedness of the Company

Creditor	Amount	Interest Rate	Maturity Date	Other Important Terms
