

We are the end-to-end solution for renting to international students.

By providing marketing, tenant assessments, tenant management, and reporting – we make international housing easy and seamless for students and landlords.

Marketing

Showcase your property to our rapidly-growing user base of international students

Tenant Assessment

Applicants are pre-screened and apply to your properties with their equivalent FICO score

Tenant Portal

Visualize all of your HUGS tenant payments in one unified platform while protecting your assets with our HUGS Rental Guarantee

Reports

Continually improve and monitor the value of your property using data from quarterly HUGS reports.
