Ready...set...Launch! Our [Wefunder](#) round is officially live!

We decided to raise on Wefunder to accelerate our growth and share the upside of our success with the people who know us best — our family, friends, and customers. You are our foundation. So now we're inviting you to become an actual stakeholder in the company.

Please visit wefunder.com/petal for more information!

Some necessary disclosures:

*Our raise is currently in "testing the waters" mode while we finalize our paperwork and SEC filings, so you'll only be making a reservation – not actually investing yet. Once we file everything in the coming weeks, you'll be able to confirm your investment.

1. No money or other consideration is being solicited. If sent, it will not be accepted;
2. No offer to buy securities will be accepted and o part of the purchase price will be received until a Form C is filed and only through Wefunder's platform
3. Any indication of interest involves no obligation or commitment of any kind.

We're less than \$2000 away from our goal! This is an important milestone on Wefunder as it unlocks special perks on the platform including expanded marketing support and more!

Anyone can invest for as little as \$100!
