Education

The Aji Network

Professional Education, Business Leadership
2003 – 2010

Our Mission-Focused Offers (MFOs) are designed to help executives, managers, salespeople and individual contributors think effectively, strategically and competitively enough to fulfill new and challenging business missions, as well as their personal financial ambitions, in the most rapidly changing, complex and competitive global marketplace in human history.

The MFOs are offered exclusively online and are an easy, low-cost way to have regional, national and global groups learn top 1% strategic knowledge that enables them to work together and design a steady stream of innovative, fresh, new offers, practices, narratives

and strategies that produce superior value and competitive advantages immediately.
