(Regulation Crowdfunding - Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by <<name of investor>> (the “Investor”) of \$<<amount of investment>> (the “Purchase Amount”) on or about _____, 202_, NODABL Networks, LLC., a Delaware corporation (the “Company”), hereby issues to the Investor the right to certain shares of the Company’s capital stock, subject to the terms set forth below.

The “Valuation Cap” is \$ 25,000,000.

The “Discount Rate” is 20 %. [*the discount to be received by Investor e.g., 20%*]

See **Section 2** for certain additional defined terms.

- **Events**

- **Equity Financing.**

- If an Equity Financing occurs before this instrument terminates in accordance with Sections 1(b)-(d) (“**First Equity Financing**”), the Company shall promptly notify the Investor of the closing of the First Equity Financing and of the Company’s discretionary decision to either (1) continue the term of this SmartSAFE without converting the Purchase Amount to Capital Stock; or (2) issue to the Investor a number of shares of the SmartSAFE Preferred Stock sold in the First Equity Financing. The number of shares of the SmartSAFE Preferred Stock shall equal the quotient obtained by dividing (x) the Purchase Amount by (y) the First Equity Financing Price (as defined below).

- If the Company elects to continue the term of this SmartSAFE past the First Equity Financing and another Equity Financing occurs before the termination of this SmartSAFE in accordance with Sections 1(b)-(d) (each, a “**Subsequent Equity Financing**”), the Company shall promptly notify the Investor of the closing of the Subsequent Equity Financing and of the Company’s discretionary decision to either (1) continue the term of this SmartSAFE without converting the Investor’s Purchase Amount to Preferred Stock; or (2) issue to the Investor a number of shares of the SmartSAFE Preferred Stock sold in the Subsequent Equity Financing. The number of shares of the SmartSAFE Preferred Stock shall equal to the quotient obtained by dividing (x) the Purchase Amount by (y) the First Equity Financing Price.

- In connection with the issuance of SmartSAFE Preferred Stock by the Company to the Investor pursuant to this Section 1(a), the Investor will execute and deliver to the Company all transaction documents related to the Equity Financing, *provided, however*, that such documents are substantially the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the SmartSAFE Preferred Stock. For the avoidance of doubt, to the extent required in connection with the Equity Financing, the conversion contemplated pursuant to this Section 1(a) shall be deemed to occur immediately prior to the consummation of the Equity Financing. Notwithstanding anything herein contained to the contrary, if the Investor fails to complete, execute and deliver any reasonable or necessary information and documentation requested by the Company or the Proxyholder in order to effect the conversion of this SmartSAFE, as contemplated in this Section 1(a), within thirty (30) calendar days of receipt of notice (whether actual or constructive) from the Company of the closing of the First Equity Financing, or Subsequent Equity Financing, as applicable, and of the Company’s decision to convert this SmartSAFE to Capital Stock, then the Investor shall only be eligible to receive a cash payment equal to the Purchase Amount (or a lesser amount as described below), and the Company shall keep a record of the cash payment that the Investor is entitled to claim; provided, that any unclaimed cash payment amount shall be subject to applicable state escheatment laws. If there are not enough funds to pay the Investor and holders of other SmartSAFEs that failed to act as required herein (collectively, the “**Cash-Default Investors**”) in full, then all of the Company’s available funds will be allocated with equal priority and pro rata among the Cash-Default Investors to claim in proportion to their Purchase Amounts.

- **Liquidity Event.**

- If there is a Liquidity Event before the expiration or termination of this instrument, the Investor will automatically receive from the Company a number of shares of Common Stock (which will be rounded down to the closest whole number) equal to the Purchase Amount divided by the Liquidity Price.

- If there is a Liquidity Event after one or more Equity Financings have occurred but before the termination of this instrument, the Investor will receive from the Company, at its election, a number of shares of SmartSAFE Preferred Stock or the most recently issued Series of Preferred Stock equal to the Purchase Amount divided by the SmartSAFE Price. Shares of SmartSAFE Preferred Stock or Preferred Stock, as the case may be, granted in connection therewith shall have the same liquidation rights as the shares of Preferred Stock issued in connection with the Company's most recent Equity Financing.

- Notwithstanding Sections 1(b)(i) or 1(b)(ii), if the Company's board of directors determines in good faith that delivery of Capital Stock to the Investor pursuant to Section 1(b)(i) or Section 1(b)(ii) would violate applicable law, rule or regulation, then the Company shall deliver to Investor in lieu thereof, a cash payment equal to the fair market value of such Capital Stock, as determined in good faith by the Company's board of directors.

- If the Investor fails to (i) complete, execute and deliver any reasonable or necessary information and documentation requested by the Company or the Proxyholder in order to effect the conversion of this SmartSAFE or (ii) notify Company of its selection to receive the cash payment or shares of the most recently issued Capital Stock, as contemplated in this Section 1(b), within thirty (30) calendar days of receipt of notice (whether actual or constructive) from the Company of such Liquidity Event, then the Investor shall only be eligible to receive the cash payment option, and the Company shall keep a record of the cash payment contemplated in Section 1(b) that the Investor is entitled to claim; provided, that any unclaimed cash payment amount shall be subject to applicable state escheatment laws.

- **Dissolution Event.** If there is a Dissolution Event before this SmartSAFE expires or terminates, the Company will pay an amount equal to the Purchase Amount, due and payable to the Investor immediately prior to, or concurrent with, the consummation of the Dissolution Event. The Purchase Amount will be paid prior and in preference to any Distribution of any of the assets of the Company to holders of outstanding Capital Stock by reason of their ownership thereof. If immediately prior to the consummation of the Dissolution Event, the assets of the Company legally available for distribution to the Investor and all holders of all other SmartSAFEs (the "**Dissolving Investors**"), as determined in good faith by the Company's board of directors, are insufficient to permit the payment to the Dissolving Investors of their respective Purchase Amounts, then the entire assets of the Company legally available for distribution will be distributed with equal priority and *pro rata* among the Dissolving Investors in proportion to the Purchase Amounts they would otherwise be entitled to receive pursuant to this Section 1(c).

- **Termination.** This instrument will expire and terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this SmartSAFE) upon either (i) the issuance of stock to the Investor pursuant to Section 1(a) or Section 1(b), or (ii) the payment, or setting aside for payment, of the amount due to the Investor pursuant to Section 1(c). The Investor acknowledges and agrees that, upon conversion of this

SmartSAFE as herein contemplated, this SmartSAFE shall be cancelled, and of no further force and effect, whether or not the Company received this SmartSAFE or instructions for the cancelation of this SmartSAFE from the Investor and neither the Company nor any successor in interest shall have any obligations hereunder or in respect hereof, subject to the provisions hereof.

This Section 5(c) shall not apply to securities registered in the public offering under the Securities Act or to any securities issued by the Company that are purchased by the Investors on the open market. All certificates evidencing the Securities (and any securities issued in substitution thereof or in respect thereof) shall bear such restrictive legends as the Company and the Company’s counsel deem necessary or advisable under applicable law or pursuant to this SmartSAFE, including, without limitation, the following:

“THE SECURITIES REPRESENTED HEREBY ARE SUBJECT TO RESTRICTIONS ON TRANSFER FOR A PERIOD OF UP TO 180 DAYS FOLLOWING THE EFFECTIVE DATE OF A REGISTRATION STATEMENT UNDER THE SECURITIES ACT OF 1933, AS AMENDED, FOR AN OFFERING OF THE COMPANY’S SECURITIES PURSUANT TO THE MARKET STANDOFF PROVISIONS OF AN AGREEMENT BETWEEN THE COMPANY AND THE ORIGINAL PURCHASER OF SUCH SECURITIES, A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY.”

- The Investor agrees that, in order to ensure compliance with the restrictions referred to herein, the Company may issue appropriate “stop transfer” instructions to its transfer agent, if any, and that, if the Company transfers its own securities, it may make appropriate notations to the same effect in its own records.

- The Company shall not be required (i) to transfer on its books any Securities that have been sold or otherwise transferred in violation of any of the provisions of this SmartSAFE, or (ii) to treat as owner of such Securities or to accord the right to vote or pay dividends to any purchaser or other transferee to whom such Securities shall have been so transferred.

- **Miscellaneous**

- Any provision of this SmartSAFE may be amended, waived or modified (either generally or in a particular instance and either retroactively or prospectively) only upon the written consent of, or a written instrument signed by, the Company and the Investor, *provided, however*, that this SmartSAFE may be amended, together with all other SmartSAFEs, by agreement of the Company and holders of SmartSAFEs representing at least a majority in interest, based upon aggregate purchase amounts under all of the then issued and outstanding SmartSAFEs, so long as such amendment and/or waivers (i) are applicable to all SmartSAFEs; (ii) do not modify this Section 6(a); and (iii) do not reduce the Purchase Amount of this SmartSAFE or reduce the Discount Rate or Valuation Cap. The Company may amend any terms of the SmartSAFEs provided such amendments do not have a material or adverse effect on the holders of the SmartSAFE.

- All notices and other communications given or made pursuant to this SmartSAFE shall be in writing and shall be deemed effectively given upon the earlier of actual receipt, or (i) personal delivery to the party to be notified, (ii) when sent, if sent by electronic mail during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient’s next business day, (iii) three (3) business days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (iv) three (3) business days after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt. All communications shall be sent to the respective parties at their address or email address as set forth on the signature page, or to such e-mail address or address as subsequently modified by written notice given in accordance

with this Section 6(b).

- The Investor acknowledges and agrees that this SmartSAFE (i) is not secured by any of the assets of the Company, and (ii) will be subordinate in right of payment to all current and future indebtedness, including bank (and other financial institutions of a similar nature) indebtedness of the Company; provided, however, that notwithstanding the foregoing, this SmartSAFE, will rank *pari passu* to all other SmartSAFEs issued by the Company.

- The Investor is not entitled, as a holder of this SmartSAFE, to vote or receive dividends or be deemed the holder of Capital Stock for any purpose, nor will anything contained herein be construed to confer upon the Investor, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action or to receive notice of meetings, or to receive subscription rights or otherwise until shares have been issued upon the terms described herein.

- Neither this SmartSAFE nor the rights contained herein may be assigned, by operation of law or otherwise, by Investor without the prior written consent of the Company; *provided, however*, that this SmartSAFE and/or the rights contained herein may be assigned without the Company's consent by the Investor to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Investor.

- In the event any one or more of the provisions of this SmartSAFE is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this SmartSAFE operate or would prospectively operate to invalidate this SmartSAFE, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this SmartSAFE and the remaining provisions of this SmartSAFE will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

- Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction, or mutilation of this SmartSAFE and, in the case of any such loss, theft or destruction, upon receipt of an indemnity reasonably satisfactory to the Company, or in the case of any such mutilation, upon surrender and cancellation of such instrument, the Company, at its expense, will make and deliver a new instrument, of like tenor, in lieu of the lost, stolen, destroyed or mutilated instrument.

- If any fractional share of capital stock would, except for the provisions hereof, be deliverable upon conversion of this SmartSAFE, the Company, in lieu of delivering such fractional share, shall pay an amount equal to the value of such fractional share, as

determined by the Conversion Price used to effect such conversion.

- This instrument may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal E-SIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

- The titles and subtitles used in this SmartSAFE are used for convenience only and are not to be considered in construing or interpreting this SmartSAFE.

- All rights and obligations hereunder will be governed by the laws of the State of Delaware, without regard to the conflicts of law provisions of such jurisdiction. The prevailing party in any action to enforce this SmartSAFE shall be entitled to costs and fees (including attorneys' fees and expert witness fees) incurred in connection with such action. Each party agrees that service of process on them in any such action, suit or proceeding may be effected by the means by which notices are to be given to it under this SmartSAFE.

- The Investor and the Company shall from time to time and at all times hereafter make, do, execute, or cause or procure to be made, done and executed such further acts, deeds, conveyances, consents and assurances without further consideration, which may reasonably be required to effect the transactions contemplated by this SmartSAFE.

- The Investor acknowledges that: (i) the Investor has read this SmartSAFE; (ii) the Investor has been represented in the preparation, negotiation and execution of this SmartSAFE by legal counsel of its own choice or has voluntarily declined to seek such counsel; and (iii) the Investor understands the terms and consequences of this SmartSAFE and is fully aware of the legal and binding effect of this SmartSAFE.

- This instrument constitutes the entire understanding between the Company and the Investor relative to the subject matter hereof. Any prior and contemporaneous agreement, discussion, understanding, correspondence and/or communication (including the term sheet) between the Company and the Investor regarding the purchase of securities, capital stock of the Company or otherwise, whether written or oral, is superseded by this SmartSAFE.

- The Company and the Investor acknowledges and agrees that, in connection with the purchase of this SmartSAFE (and the securities issuable upon conversion of the Purchase Amount in accordance with the provisions hereof, Investor has not requested and shall not request, and the Company has not given or afforded Investor access to and shall not give or afford Investor access to, whether as part of any information rights or otherwise, any "material non-public technical information," as that term is defined at 31 C.F.R. § 801.208, in the

possession of or collected by the Company that (i) is not available in the public domain and is necessary to design, fabricate, develop, test, produce or manufacture “critical technologies” (including emerging or foundational technologies), as that term is defined at 31 C.F.R. § 800.209, including processes, techniques or methods, or (ii) provides knowledge, know-how or understanding, not available in the public domain, of the design location or operation of “critical infrastructure,” as that term is defined at 31 C.F.R. § 800.208.

- Investor expressly acknowledges and agrees that, for so long as Investor shall hold this SmartSAFE and/or any shares of Capital Stock issued upon conversion of the Purchase Amount as herein contemplated, Investor shall have no information, access or inspection rights, except with respect to such rights deemed not waivable by applicable law (the “**Information Waiver**”). In furtherance thereof, Investor acknowledges and understands that, but for the Information Waiver made herein, Investor would be entitled, upon written demand under oath stating the purpose thereof, to inspect for any proper purpose, and to make copies and extracts from, the Company’s stock ledger, a list of its stockholders, and its other books and records, and the books and records of subsidiaries of the Company, if any, under the circumstances and in the manner provided in Section 220 of the General Corporation Law of Delaware or any comparable provisions of the laws of any other jurisdictions (“**Comparable Law**”) (any and all such rights, and any and all such other rights of Investor as may be provided for in Section 220 or pursuant to Comparable Law, the “**Inspection Rights**”). In light of the foregoing, until the first sale of Common Stock of the Company to the general public pursuant to a registration statement filed with and declared effective by the Securities and Exchange Commission under the Securities Act of 1933, as amended, Investor hereby unconditionally and irrevocably waives the Inspection Rights, whether such Inspection Rights would be exercised or pursued directly or indirectly pursuant to Section 220, Comparable Law or otherwise, and covenants and agrees never to directly or indirectly commence, voluntarily aid in any way, prosecute, assign, transfer, or cause to be commenced any claim, action, cause of action, or other proceeding to pursue or exercise the Inspection Rights. The foregoing waiver applies to the Inspection Rights of Investor in Investor’s capacity as a stockholder and shall not affect any rights of a director, in his or her capacity as such, under Section 220 or Comparable Law. The foregoing waiver shall not apply to any contractual inspection rights of Investor under any written agreement with the Company.

- Concurrent with the execution by Investor of this SmartSAFE, Investor shall enter into the Proxy Agreement, in the form attached hereto as Exhibit A and incorporated herein by this reference (the “**Proxy Agreement**”), pursuant to which the Secretary of the Company shall have an irrevocable proxy to vote all of the Capital Stock issuable to Investor upon conversion of the Purchase Amount on any matters to which the Proxy Agreement applies; provided, however, that the Secretary will vote such shares with the majority of the holders of the relevant class of the Company’s Capital Stock on any matters to which the Proxy Agreement applies as more fully therein set forth. Investor acknowledges and agrees that it is a material inducement to the Company that the Investor enter into the Proxy Agreement concurrent with the issuance to Investor of this SmartSAFE, which the Company would not have done absent this undertaking by Investor. Investor understands, acknowledges and agrees that entering into the Proxy Agreement is a condition precedent to the issuance of this SmartSAFE and to receipt of SmartSAFE Preferred Stock.

- Notwithstanding the termination of this SmartSAFE in accordance with the provisions of Section 1(e), the Proxy Agreement, and the provisions of Sections 6(o), 6(p), 6(q) and this Section 6(r) of this SmartSAFE shall survive any such termination, in addition to any other provisions of this SmartSAFE necessary to give effect to the provisions hereof and thereof including, without limitation, Section 2 hereof.

PROXY AGREEMENT

This Proxy Agreement (the “Agreement”) is made as of _____, 202 , by and among NODABL Networks, Inc., a Delaware corporation (the “Company”), [<<name of SAFE holder giving proxy>>] (the “Investor”) and Mr. Stephen Wilson (the “Proxyholder”). Defined terms used herein but not otherwise herein defined shall have the meanings ascribed to them in the SmartSAFE, dated as of the date hereof, by and between the Investor and the Company (the “SmartSAFE”). Capitalized terms used but not defined herein shall have the meaning set forth in the SmartSAFE.

WHEREAS, concurrent with the execution hereof, Investor is purchasing a SmartSAFE from the Company and, as a condition to the issuance thereof, the Investor shall enter into this Agreement.

WHEREAS, the Investor and Proxyholder desire to enter into this Agreement with respect to voting all shares of Capital Stock which Investor acquires upon conversion of the Purchase Amount into Capital Stock in accordance with the provisions of the SmartSAFE (collectively with any securities of the Company issued with respect to, upon conversion of, or in exchange or substitution of such shares, the “Shares”).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged and agreed upon, the Investor, the Proxyholder, and the Company hereby agree as follows:

AGREEMENT

Election of Board. To the extent that voting rights for the election of directors attach to any of the Shares under applicable law, in any election of directors of the Company (whether at a meeting or by written consent), the Investor agrees to vote or consent with respect to all Shares so as to elect the members of the Board of Directors designated in writing by the Proxyholder. In any action to remove directors (whether at a meeting or by written consent), the Investor agrees to vote or act with respect to his Shares so as to remove any director designated in writing by Proxyholder.

Additional Voting Obligations. To the extent that voting rights attach to any of the Shares under applicable law, Investor hereby agrees with respect to all Shares:

- In the event that the Proxyholder requests that Investor vote in favor of any Acquisition (an “Approved Sale”), any Certificate Amendment and/or any Other Matter, then the Investor shall (i) after receiving any required notice (that is not waived) of any meeting of shareholders of the Company to vote on the approval of an Approved Sale, a Certificate Amendment and/or Other Matter, be present, in person or by proxy, as a holder of Shares at all such meetings and be counted for the purposes of determining the presence of a quorum at such meetings and (ii) vote or consent with respect to all Shares (A) in favor of such Approved Sale or Certificate Amendment, (B) in the case of an Approved Sale, in opposition of any and all other Acquisitions for which a vote is taken while an Approved Sale is still pending that would

reasonably be expected to delay or impair the ability of the Company to consummate such Approved Sale, and (C) in the case of an Other Matter, as directed by the Proxyholder. Notwithstanding the foregoing, in the case of an Approved Sale, the Investor shall not be required to assume personal liability greater than the liability assumed by the Proxyholder that continues after the transaction closing for breach of representations, warranties or other obligations except (x) to the extent of the consideration received in the transaction or (y) for liability attributable to fraud or willful misconduct on the part of the Investor. The Investor shall refrain from exercising any dissenters' rights, appraisal rights or similar rights at any time in connection with such Approved Sale. If the Approved Sale is structured as a sale of the stock of the Company, then the Investor hereby agrees to sell all of his Shares on the terms and conditions approved by the Proxyholder. Subject to applicable laws, the Investor shall take all necessary and desirable actions approved by the Proxyholder in connection with the consummation of the Approved Sale, including the execution of such agreements and such instruments and other actions reasonably necessary to (i) provide the representations, warranties, indemnities, covenants, conditions, escrow agreements and other provisions and agreements relating to such Approved Sale, and (ii) effectuate the allocation and distribution of the aggregate consideration upon consummation of the Approved Sale.

- In the event that the Proxyholder requests that Investor vote against any Acquisition (a "Rejected Sale"), any Certificate Amendment and/or any Other Matter, then the Investor shall (i) after receiving any required notice (that is not waived) of any meeting or action by written consent of the shareholders of the Company to vote on the Rejected Sale, such Certificate Amendment and/or Other Matter, be present, in person or by proxy, as a holder of Shares at all such meetings to the extent that such consent shall be sought at a meeting, and be counted for the purposes of determining the presence of a quorum at such meetings and (ii) vote or consent with respect to all Shares (A) against such Rejected Sale or Certificate Amendment, and (B) in the case of an Other Matter, as directed by the Proxyholder. If the Rejected Sale is structured as a sale of the stock of the Company, then the Investor shall not sell any of his Shares unless permitted to sell in writing by the Proxyholder.

- Investor agrees that, unless Proxyholder provides explicit written instruction to vote Investor's Shares under this Agreement or Proxyholder provides explicit written notice that Investor shall (to the extent that voting rights attach to the Shares under applicable law) be permitted by Proxyholder to vote or consent in a manner other than as Proxyholder instructs, Investor shall abstain from voting or consenting with respect to any of his Shares on all matters.

- In the event of any Transfer by the Investor, (i) the Investor shall inform the Company and the Proxyholder of such Transfer and (ii) the pledgee, transferee or donee (the "Transferee") shall furnish the Proxyholder and the Company with a written agreement to be bound by the provisions of this Agreement. Such Transfer shall not be valid unless and until the Company and the Proxyholder receive such written agreement. In the event of any Transfer by the Investor, the Investor shall inform the Company and the Proxyholder of such Transfer no less than five (5) business days prior to such Transfer. Such Transferee shall be treated as a "Investor" for purposes of this Agreement. For avoidance of doubt, the Company shall not permit the transfer of any of the Shares on its books or issue new certificates representing any such Shares unless and until the person(s) to whom such Shares are to be transferred shall have executed the written agreement referred to in this Section 2 and any additional agreement required under any other applicable agreements between the parties hereto.

For purposes of this Agreement:

“Acquisition” shall mean any (i) event that results in a liquidation, dissolution or winding up, or is deemed to be a liquidation, dissolution or winding up of the Company under the Certificate or any (ii) reorganization, consolidation, merger, stock sale, or asset sale of the Company.

“Certificate” shall mean the Company’s Certificate of Incorporation or Articles of Incorporation, as the same may be amended or restated from time to time.

“Certificate Amendment” shall mean any amendment or restatement of the Certificate.

“Other Matter” shall mean any matter other than an Acquisition or Certificate Amendment for which approval of the holders of the Company’s stock is sought or upon which such holders are otherwise entitled to vote or consent.

“Transfer” shall mean any sale, assignment, encumbrance, hypothecation, pledge, conveyance in trust, gift, transfer by bequest, devise or descent, or other transfer or disposition of any kind, including, but not limited to, transfers to receivers, levying creditors, trustees or receivers in bankruptcy proceedings or general assignees for the benefit of creditors, whether voluntary or by operation of law, directly or indirectly, of any of the Shares.

Irrevocable Proxy and Power of Attorney. To secure the Investor’s obligations to vote the Shares in accordance with this Agreement and to comply with the other terms hereof, the Investor hereby appoints the Proxyholder, or his designees, as such Investor’s true and lawful proxy and attorney, with the power to act alone and with full power of substitution, to vote or act by written consent with respect to all of such Investor’s Shares in accordance with the provisions set forth in this Agreement, and to execute all appropriate instruments consistent with this Agreement on behalf of such Investor. The proxy and power granted by the Investor pursuant to this Section are coupled with an interest and are given to secure the performance of such party’s duties under this Agreement. Each such proxy and power will be irrevocable for the term hereof. The proxy and power, so long as Investor is an individual, will survive the death, incompetency and disability of such party or any other individual holder of the Shares and, so long as any party hereto is an entity, will survive the merger, consolidation, conversion or reorganization of such party or any other entity holding any Shares. The voting agreements contained herein are coupled with an interest and may not be revoked during the term of this Agreement. Notwithstanding anything herein contained to the contrary, the Proxyholder shall vote all of the Shares in accordance with the majority of the holders of the relevant class of the Issuer’s Capital Stock on any matters to which this Agreement applies; provided, however, that if the Shares shall be SmartSAFE Preferred Stock, or non-voting Common Stock then the Proxyholder shall vote all of the Shares in accordance with the majority of the voting Preferred Stock or voting Common Stock, as the case may be.

Additional Matters.

Legends. The Company shall cause each certificate representing shares of the Company’s capital stock now or hereafter held by the Investor or any assignee of the Investor to bear the following legend (which legend may be removed following any termination of this Agreement pursuant to Section 5):

“THE SHARES EVIDENCED HEREBY ARE SUBJECT TO A PROXY AGREEMENT BY AND AMONG THE COMPANY AND CERTAIN SHAREHOLDERS OF THE COMPANY (A COPY OF WHICH MAY BE OBTAINED FROM THE COMPANY) WHICH INCLUDES PROVISIONS POTENTIALLY RESTRICTING THE SHAREHOLDER’S RIGHT TO VOTE OR TRANSFER HIS OR ITS ENTIRE INTEREST IN THE SHARES EVIDENCED HEREBY, AND BY ACCEPTING ANY INTEREST IN SUCH SHARES THE PERSON ACCEPTING SUCH INTEREST SHALL BE DEEMED TO AGREE TO AND SHALL BECOME BOUND BY ALL THE PROVISIONS OF SAID PROXY AGREEMENT.”

Specific Enforcement. It is agreed and understood that monetary damages would not adequately compensate an injured party for the breach of this Agreement by any party, that this Agreement shall be specifically enforceable, and that any breach or threatened breach of this Agreement shall be the proper subject of a temporary or permanent injunction or restraining order without the requirement to post bond. Further, each party hereto waives any claim or defense that there is an adequate remedy at law for such breach or threatened breach.

Proxyholder’s Liability. The Proxyholder shall not be liable for any error of judgment nor for any act done or omitted, nor for any mistake of fact or law nor for anything which the Proxyholder may do or refrain from doing in good faith, nor shall the Proxyholder have any accountability hereunder, except for his own bad faith, gross negligence or willful misconduct. Furthermore, upon any judicial or other inquiry or investigation of or concerning the Proxyholder’s acts pursuant to his rights and powers as Proxyholder, such acts shall be deemed reasonable and in the best interests of the shareholders unless proved to the contrary by clear and convincing evidence.

Termination. This Agreement shall terminate upon the earlier of:

- the liquidation, dissolution or winding up of the business operations of the Company;
- the date upon which the Investor (or a Transferee) no longer holds any Shares;
- the date that such Shares are converted to cash or a cash equivalent, but shall continue as to any Shares not so converted; or
- in the sole discretion of the Company.

Miscellaneous.

Successors and Assigns. The terms and conditions of this Agreement (as may be amended pursuant to Section 6.2) shall inure to the benefit of and be binding upon the respective successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement. Except for an assignment by the Company by operation of law or in connection with an Acquisition (which shall be permitted with only the written consent

and notice of the Company), this Agreement may not be assigned by the parties without the written consent of the Proxyholder, the Company and the Investor.

Amendments and Waivers. Any term hereof may be amended or waived only with the written consent of the Investor and the Company; provided, however, that this Agreement may be amended, together with all other Proxy Agreements entered into by the holders of SmartSAFEs, by agreement of the Company and holders of SmartSAFEs representing at least a majority in interest, based upon aggregate purchase amounts under all of the then issued and outstanding SmartSAFEs with the same Valuation Cap.

Notices. All notices and other communications given or made pursuant to this Agreement shall be in writing and shall be deemed effectively given upon the earlier of actual receipt, or (i) personal delivery to the party to be notified, (ii) when sent, if sent by electronic mail during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient's next business day, (iii) three (3) business days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (iv) three (3) business days after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt. All communications shall be sent to the respective parties at their address or email address as set forth on the signature page, or to such e-mail address or address as subsequently modified by written notice given in accordance with this Section 6.3.

Severability. If one or more provisions of this Agreement are held to be unenforceable under applicable law, the parties agree to renegotiate such provision in good faith. In the event that the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (a) such provision shall be excluded from this Agreement, (b) the balance of the Agreement shall be interpreted as if such provision were so excluded and (c) the balance of the Agreement shall be enforceable in accordance with its terms.

Governing Law. This Agreement shall be construed, interpreted, and applied in accordance with the laws of the State of Delaware without regard to its body of law controlling conflict of laws. Each party hereto hereby agrees that, to the fullest extent permitted by law, service of any process, summons, notice or document by U.S. registered mail to the respective addresses set contemplated in Section 6.3 shall be effective service of process for any suit or proceeding in connection with this Agreement or the transactions contemplated hereby.

Attorney Fees. In the event that any action, suit or other proceeding is instituted concerning or arising out of this Agreement or any transaction contemplated hereunder, the prevailing party shall recover all of such party's costs and attorneys' fees incurred in each such action, suit or other proceeding, including any and all appeals or petitions therefrom.

Counterparts. This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience

only and are not to be considered in construing or interpreting this Agreement.

Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to this Agreement or any notices required by applicable law or the Company’s Certificate of Incorporation or Bylaws by email or any other electronic means. Consultant hereby consents to (i) conduct business electronically (ii) receive such documents and notices by such electronic delivery and (iii) sign documents electronically and agrees to participate through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.
