NEW

Ordered the Matcha Jasmine Milk Tea. This is my go-to every time I'm in town (I even miss it when I'm in Chicago). Refreshing, creamy and just the right amount of sweet. 🍵🍵

Published on Jan 2

# YUMMY FUTURE

Dear Investors,

Happy New Year! I'm Jack Cui, Founder and CEO of Yummy Future, and I'm thrilled to share some exciting updates as we kick off 2025:

- **Incredible Early Success:** Within the first week of our official launch on Wefunder (and through private commitments), we've already raised \$150K in investments! With the early access quota nearly filled, now is the perfect time to secure your spot before it's too late.
- **Strategic Valuation & Fundraising Target:** We've set our valuation at \$60 million and increased our fundraising target to \$3 million (up from \$0.5M) to meet higher-than-expected investor demand. This approach allows us to raise a larger round, achieve our dilution target, and sustain growth momentum.

This strategy enables us to sustain the momentum generated on Wefunder and continue revolutionizing the food and beverage industry with robotics.

Don't miss your chance to join us! Invest now at <https://wefunder.com/yummy> and help shape the future of dining with Yummy Future.

Thank you for your support and belief in our mission. Let's make 2025 a groundbreaking year together!
